

HONORED AS THE top dairy farmers in the Upper Peninsula in 1968 were these leaders at the annual dairymen's banquet at the U. P. State Fair on Tuesday evening at the 4-H Dining Hall. From left: Mrs. Ruth Butler, Houghton, of the Board of Fair Managers, who presented the large herd

trophy, Mr. and Mrs. Charles Menke of Stephenson, large herd champions, David Liimakka, Ironwood, winner of the small herd championship; and Frank Molinare, Marquette, director of Extension services in the U.P., who presented the small herd trophy. (Daily Press Photo)

Allies Capture Reds' Invasion Arms Supplies

SAIGON (AP) — Allied forces trying to spoil the third Viet Cong offensive of the year before it can get started uncovered huge weapons caches along infiltration corridors north of Saigon and leading from the Cambodian and Laotian borders, military spokesmen reported today.

Little other activity was reported in the Vietnam war. The U.S. Command said tropical storm Rose cut U.S. air missions over North Vietnam's southern panhandle to 31 Tuesday, the lowest number in more than two years.

In the most significant find, allied forces checking a group of villages reportedly housing as many as 25,000 Viet Cong sympathizers 25 miles north of Saigon turned up more than 500 rounds of rockets and recoilless rifle ammunition Tuesday, 72,000 rounds for automatic weapons and five pounds of documents.

Ten Vietnamese trying to escape were killed in a 15-minute fire fight, and 17 prisoners were flushed from the tunnels in the action Tuesday. No allied casualties were reported.

Using "seal and search" tactics units of the U.S. 11th Armored Cavalry Regiment put a cordon around the village of Cau Dat with armored personnel carriers and tanks. South Vietnamese and American "tunnel rats"—infantrymen who dig through tunnels—moved in to search the village.

Cau Dat is less than 10 miles north of a big U.S. Army helicopter base and the headquarters of the South Vietnamese 5th Infantry Division.

It was the second productive "seal and search" operation in the cluster of villages north of Saigon in the last five days.

Shoes Expected

HANOVER, N.H. (AP) — A student handbook for the summer term at Dartmouth College contains this admonition: "Students are expected to wear shoes in all college buildings."

Peace Progress Hangs On Bombs

PARIS (AP) — U.S. Ambassador W. Averell Harriman and Xuan Thuy of North Vietnam went into the fourth month of their search for peace in Vietnam today as tightly deadlocked as ever over the issue of ending U.S. bombing of North Vietnam.

There has been widespread speculation that either Hanoi or Washington might make some policy shift, but concrete evidence of any major progress in the talks is lacking.

Harriman accused North Vietnam of taking a "completely sterile" line in the Paris peace talks while Communist terrorists in South Vietnam killed thousands of people "in cold blood."

Harriman said: "He hoped that the return from Hanoi of Le Duc Tho, a member of the Communist party Politburo, 'will be useful.' This reflected U.S. speculation that Tho, who spent six weeks in Hanoi, may have brought some new instructions.

The U.S. Mission in Saigon issued its weekly report on terrorism today and said since Jan. 1 Viet Cong terrorists have killed

Menke, Liimakka U.P. Dairy Champs

Upper Peninsula dairy farmers hailed their new champions at the dairymen's banquet at the U.P. State Fair 4-H Dining Hall Tuesday night and heard some prophecies about the way their industry is trending.

Named U.P. dairymen champion on the basis of the testing of their herds milk and butterfat production were:

Large herds (25 cows or more): Charles Menke, Stephenson, whose 36 cows produced an average of 15,895 pounds of milk of 3.6 butterfat test and 570 pounds of butterfat.

Small herds (24 cows or less): David Liimakka, Ironwood, whose 23 cows averaged 13,718 pounds of milk of 4.0 butterfat test and 552 pounds of butterfat.

The productions are high, but not records.

Industry Trends

Charles Lassiter, head of the Dairy Division of Michigan State University, told the more than 70 banqueters that Michigan dairy farm operation is trending toward the California pattern. There the operation is becoming one of very large herds with owners concentrating on their milk production and not on cattle feed production, which is left to farms which specialize in it. These new dairy farms consist only of large herds, housing and exercise lots; the fields that produce the dairy feeds are on farms elsewhere.

Dr. Lassiter saw a trend toward this sort of dairy farming in Lower Michigan, but not yet in the Upper Peninsula. Here the dairymen still raises his own grain and forage and makes a living by full time devotion to the business, whereas the trend toward beef farming is apt to be part-time farming, with the farmers getting income from other sources as well as from his herd. With income of only \$100 a head from beef there must be a large herd to support a farm family.

Milk Export
Lassiter told of Kroger Stores' new contract with Michigan Milk Producers Association (which markets most of the milk produced in the Upper Peninsula) and under which the big grocery supermarket

chain is marketing Michigan milk as far east as Pittsburgh, as far south as Columbus, Ohio, and west to Fort Wayne and South Bend, Ind., and trending farther west.

In Southern Michigan if the price of milk isn't right there's no longer dependence upon only local markets and there is prospect of new opportunities for efficiency in feed production with specialization.

With \$5 (per hundredweight) milk and feed at \$60 a ton — three cents a pound — (milk producers in Menominee County are shading that feed cost). U. P.'s dairy industry is in a situation where most dairy farms are described at "doing O.K." and with the prospect that milk prices will rise more.

Milk For Cheese
The area produces more milk for manufacture, which is lower priced than milk for drinking, than most dairying areas, but the production of such milk does not require the expensive equipment needed for production of Grade A milk.

Baraga: Wesley Myllyla & Son, Arnheim, 13,709-496-3.6 and Fabian Maki, Baraga 9,915-397-4.1.

Chippewa: Melvin Stahl, Dafters, 13,135-478-3.6 and How-

Please Turn To Page 12, Col. 4

Final count on the fair's dairy animals this year, said Jack Little, U.P. Extension dairyman and master of ceremonies at the banquet, is 156 Holsteins, 103 Guernseys, 67 Jerseys, 18 Brown Swiss and one Ayrshire.

Honored as the U.P.'s best dairymen and given the Award of Merit for milk production Tuesday were the following, listed by county, with large herds first where there was judging in both classes and with the two highest producers where there was only one herd class. The listing includes the pounds of milk and pounds of butterfat and butterfat test:

Alger: Edgar Williams, Trenary, 13,314-468-3.5 and Wilho Laurila, Trenary, 13,387-510-3.8.

Nike Sites Shutdown Planned To Cut Cost

WASHINGTON (AP) — As an economy measure, the Army is considering shutting down a number of antibomber missile batteries, Pentagon sources say.

Built at a cost of millions, some sites have been operating 10 years or less.

The proposed action reflects the pressure the services are now under to meet spending cuts ordered by Congress in exchange for passage of President Johnson's 10 per cent income surtax.

The Navy already has gone on the financial chopping block, laying up 50 ships, including a nuclear submarine and a fleet of World War II support vessels, and deactivating eight air squadrons to save an estimated \$118 million.

The Army was hit earlier with a Defense Department decision to save \$125 million by not activating the 6th Infantry Division at Ft. Campbell, Ky., as originally planned.

The over-all government spending cuts were originally pegged at \$6 billion, a figure that may be revised upward. The Pentagon is expected to account for about half of the amount by slashing almost everything not needed for the war.

Secretary of Defense Clark M. Clifford said last week the No. 1 rule in economizing is that "the needs of our forces in Southeast Asia must be provided for fully, without exceptions."

The proposed missile cutback may knock out perhaps a dozen

or more Nike-Hercules batteries across the country, sources indicate.

Exactly how many units are to be shut down, and where, is understood to be under consideration in the Pentagon. But at least some are expected to be National Guard outfits.

The first Nike-Hercules units became operational only in 1958, assigned to guard against an air attack by nuclear-armed enemy bombers. The 39-foot missile, which can be fitted with an atomic or conventional warhead, is supposed to be able to knock down bombers traveling 2,000 miles per hour.

As was the case with the Navy deactivations last week, the Pentagon will delay announcement of the plan—once it is approved—until congressmen whose states are affected are informed of the action.

Closeout of the missile sites will also mark a further scaling down of the nation's continental air defenses.

Pennant

Jerry Green's Wednesday column, "FOB Detroit," appearing on the sports page, deals with the American League pennant race, Green's error in making the Chicago White Sox his pre-season favorite and a comparison between the National League leading St. Louis Cardinals and the Detroit Tigers, front-runners in the American League.

"FOB Detroit" appears every Wednesday in the Press and covers college and professional sports and the athletes who play them on an in-the-locker room basis and is written by a man who lives with the stars.

McCarthy Thinks HH May Win In The First

LBJ Must Cut Deeper

AUSTIN, Tex. (AP) — President Johnson, who agreed reluctantly to a \$6-billion cut in federal spending to get his income tax increase, now faces the probability of having to cut an additional \$1 billion.

Johnson, spending a long working holiday at his hill country ranch, had press secretary George Christian outline publicly on Tuesday the budget-cutting problems faced by the White House.

This followed a four-hour ranch conference Johnson had with Budget Director Charles J. Zwick.

As sketched by Christian, this

is the situation facing the administration:

\$180.1 Billion Top

When Congress fixed a spending ceiling of \$180.1 billion for a broad range of federal programs—except the Vietnam war and some others—it looked as if the ceiling could be met by chopping \$6 billion from planned outlays in the fiscal year that began July 1.

Since then, however, estimated spending for farm-price supports has increased by \$700 million and it now appears that costs of public assistance and Medicaid may top the original projection by \$300 million.

Those increases totaling \$1 billion must be offset by cuts elsewhere in the budget.

Christian, quoting Zwick, said it seems likely that Congress itself will specify \$3 billion in spending reductions. That leaves \$4 billion of economy moves to be pinpointed by the administration.

Slash Payrolls

The President, in an action announced Tuesday, approved significant new cutbacks in U.S. payrolls abroad. This is not a di-

rect economy move, since many workers simply will be transferred to stateside jobs. But it is intended to help ease the balance of payments deficit which was one of the chief goals of Johnson's 10 per cent income surtax.

By mid-1969, under the Johnson plan, enough overseas jobs will be eliminated to cut spending abroad by \$28 million to \$32 million.

Study X-Rays

Compared with Dec. 31, 1967, the number of Americans on federal payrolls abroad will be slashed by 4,083 from 22,884, or 18 per cent. The number of foreign nationals employed will be reduced by 4,274 from 26,337, or 16 per cent. Twenty-one agencies, including the military, will be affected.

Christian had no word Tuesday on when doctors might report their findings after a careful study of X rays made Monday of Johnson's lower intestine. The chief executive has diverticulosis, a noninfectious condition that produces pouches on the inner lining of the intestine.

Five In Race For MSU Post

EAST LANSING (AP) — Dr. Blanche Martin, a dentist and former Michigan State University football great, revealed Tuesday that he will seek the Democratic nomination for a spot on the MSU board of trustees.

Martin is the second Democrat to announce his candidacy for one of two board seats vacant late this year.

Trustee C. Allen Arlan, a Democrat, has said he would seek re-election when his term expires in December. Republican Trustee Connor Smith is running for a seat in the House of Representatives and is not a candidate for another board term.

Three Republicans have entered the board race. They are John S. Pingel, a Grosse Pointe Woods advertising executive and former board member; David Diehl, Dansville farmer; and Richard D. Ernst, Bloomfield Hills businessman.

Two candidates from each party will be nominated at state conventions later this month.

Quake Shakes Mexico Coast

BERKELEY, Calif. (AP) — An earthquake on the southern coast of Mexico, termed by seismologists strong enough to cause damage in a populated area, was recorded at 3:44 a.m. EDT today on University of California seismographs.

The magnitude was rated six on the Richter scale. The distance was 2,100 miles south of here, said Dr. Maurus Nias.

A six rating is described as "potentially damaging" by seismologists. It compares to a magnitude of 8.3 for the San Francisco earthquake of 1906 and 8.4 for the Alaska quake of 1964. The Richter scale has no maximum.

Today's Chuckle

A henpecked husband describes his wife: "She's such a formidable woman that when she enters a room, the mice get on chairs."

Nixon, Romney Plan Vote Drive

LANSING (AP) — Richard Nixon will fly to Michigan early next week to discuss campaign plans with Gov. George Romney, who has warned the Nixon campaign "will have a difficult battle" in his state.

Romney, who also said following last week's GOP National Convention at Miami Beach that "I think it's possible to win there (in Michigan)," announced Nixon would be in Lansing either Monday or Tuesday.

The governor also said Maryland Gov. Spiro Agnew, the Republican candidate for vice president, has been invited to address the State GOP Convention Aug. 24 in Grand Rapids.

Pending the Nixon visit, Romney added, two of Michigan's top Republicans — State Chairman Elly Peterson of Charlotte and Sen. Emil Lockwood of St. Louis, the state senate majority leader—have been sent to San Diego, Calif., to work with Nixon's staff on scheduling arrangements.

Romney pledged to work for the Nixon-Agnew ticket after an

attempt to give him the No. 2 spot on the ticket was unsuccessful. Opponents of Agnew, Nixon's choice, nominated Romney, who drew 178 votes to 1,128 for the Maryland governor.

Romney said Tuesday he and Nixon planned to "confer on final plans and the organizational structure for the Republican campaign in Michigan."

Haiti Invaders Get Clemency

PORT AU PRINCE, Haiti (AP) — President Francois Duvalier today commuted the death sentences of 10 young Haitians convicted as members of a small invasion force that landed here May 20.

At the same time a government prosecutor hinted that he might ask the death penalty for David Knox, 46, Bahamas information director, who is being tried here as a British spy accused of having a hand in the invasion.

The clemency directive gave the 10 invaders unspecified prison terms. It also extended to two raiders who have escaped, one of whom is known to have taken refuge in the Chilean Embassy.

Duvalier's directive noted the "social status" of the 10 invaders, saying they were just Haitian country boys who were led by "professionals of international piracy."

The Haitian government claims Knox was one of the leaders.

Escapee Shoots Self In Foot

IONIA, Mich. (AP) — As escapes go, this one didn't.

Clifford Watkins, 21, of Ionia turned himself over to the Michigan state police just 24 hours after he had escaped from Michigan Reformatory.

Watkins needed medical attention.

He had shot himself in the foot while inspecting a rifle he had stolen from a hunting lodge two hours before.

Maddox Entry Might Delay It, Says Challenger

WASHINGTON (AP) — Sen. Eugene J. McCarthy has suggested rival Vice President Hubert H. Humphrey could win the Democratic presidential nomination on the first ballot—unless Georgia Gov. Lester Maddox enters the race.

"If Maddox comes in, the convention could go to a second or third ballot," McCarthy said Tuesday. "He would draw votes away from Vice President Humphrey. Otherwise, I think a first ballot should do it."

McCarthy said at a St. Louis press conference before returning to Washington that a realistic appraisal of his own maximum first-ballot strength is about 800 votes. It will take 1,312 votes for nomination at the Democratic National Convention in Chicago in two weeks.

McCarthy said Maddox, who has indicated he may decide this week whether to enter the race, would draw southern votes from Humphrey.

"Humphrey and Maddox would be competing for the same delegates," he said.

Say Humphrey Short

Leading McCarthy backers, expressing high optimism on the Minnesota senator's chances, estimated at a Washington news conference his first ballot delegate strength will be between 500 and 800 votes.

The backers, including campaign manager Blair Clark and John Kenneth Galbraith, chairman of the Americans for Democratic Action, said Humphrey is "far short" of a first-ballot nomination.

The vice president estimated his strength during a nationally televised interview Sunday will be about 1,600 votes, nearly 300 more than needed.

The latest Associated Press survey of firm delegate votes shows Humphrey with 824½, McCarthy 436½ and Sen. George S. McGovern 28 with 801 uncommitted.

Nixon Courts Liberals

The candidates' higher estimates include votes they believe to be leaning to them. The AP survey counts only votes of delegates committed, pledged or publicly stating their voting intentions.

On the Republican side, presidential candidate Richard M. Nixon has lined up a series of meetings with prominent Republicans, including his former rivals for the nomination, to align a united campaign by the party.

With telephone calls Tuesday,

Millage Facts

(Editor's note: This is a serious question and a facetious answer. Obviously, the Escanaba Area School District does have an intelligent school board but it properly chooses not to defend itself against this thoughtless charge.)

Q. Why can't we ever elect an intelligent school board?

A. Basically two reasons: (1) you cannot get intelligent people to serve on the school board, and (2) can anyone name any community that has ever had an intelligent school board?

Stunting Pilot Killed In Crash

NAPOLEON (AP) — A pilot attempting airborne stunts in his small plane was killed Tuesday when the plane came out of a barrel roll and plummeted to the ground at a private airport near Jackson.

State Police identified the dead as Robert D. Barnette, 37, of Westland, a Detroit suburb.

Ted Maule, owner of the Maule Aircraft Corp., where the plane crashed, said the pilot started stunting after taking off from a fueling stop. Barnette didn't have enough altitude when he attempted to pull out of the roll, Maule said.

There was no explosion or fire, police said.

Cavanagh Aide, Mallet, Resigns

DETROIT (AP) — An aide to Detroit Mayor Jerome Cavanagh, Conrad L. Mallet, has announced his resignations effective Sept. 1 to become director of Wayne State University's inner city extension center.

Mallet earned \$17,936 a year in his post and was the first Negro to serve on a Detroit mayor's staff. He recently failed to win election to the Wayne County Board of Supervisors.

A former law partner with Cavanagh, Fred G. Romanoff returns to the mayor's staff after serving 18 months as a vice president of the Michigan Bank.

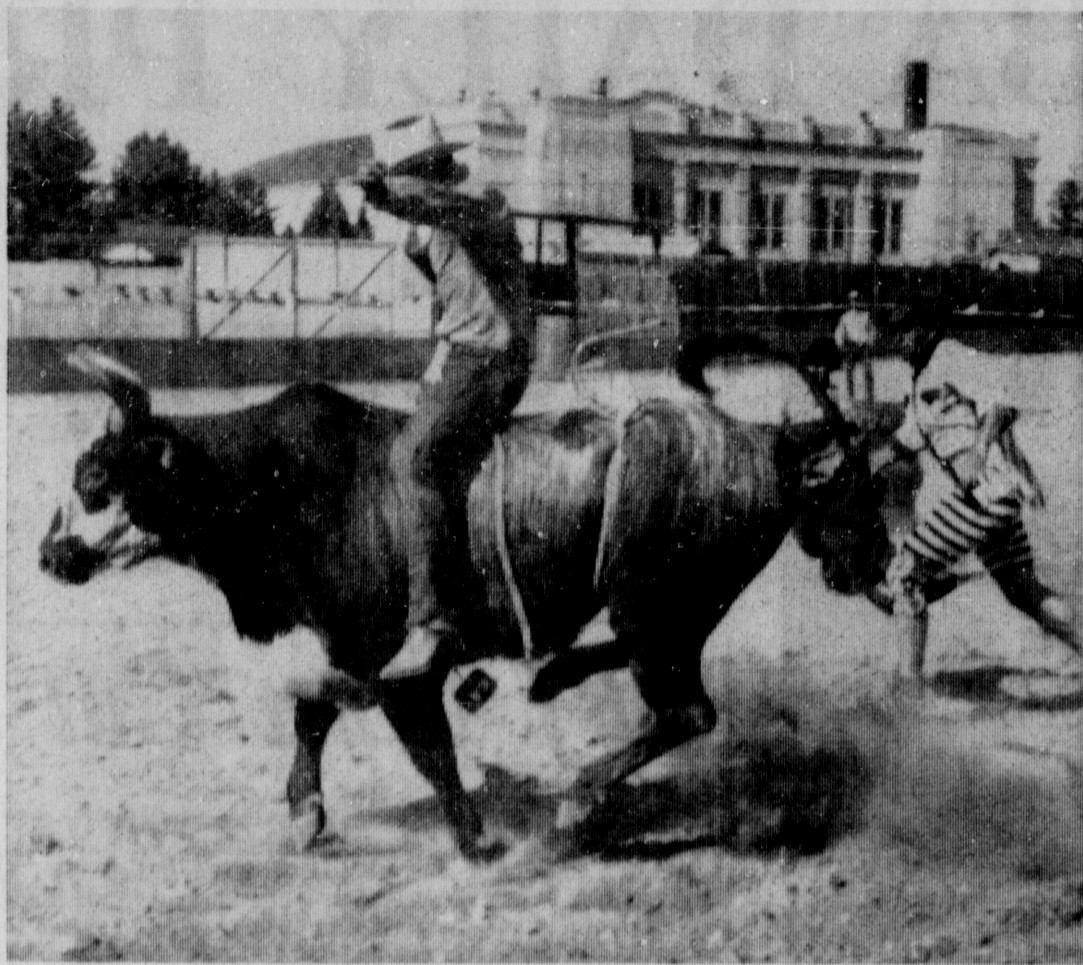

Seaway To Close In Mid-December

MASSENA, N.Y. (AP) — The St. Lawrence Seaway Development Corp. has announced plans to keep the seaway open to Dec. 10 and then on a day-to-day basis to Dec. 15, if weather and ice conditions permit. It would then be closed for maintenance work.

The Welland Canal is to remain open until Dec. 22 and the locks at Sault Ste. Marie until Dec. 15.

The Canadian Seaway Authority said the Lachine and Cornwall canals would be closed permanently on Nov. 30.

Later closing dates were expected to make up for seaway traffic lost during a strike of 1,200 Canadian seaway workers.

BRAHMA BULL riding was one of the features of the Barnes Rodeo which opened the U.P. State Fair's entertainment on Monday night and which showed again on Tuesday afternoon and evening at the fair. (Daily Press Photos)

WILD BRONCS and Brahma bulls are rather standard features of rodeos, but the Barnes Rodeo which played at the U. P. State Fair here had an unusual animal "star" in "Pat" a trained buffalo, which amused rodeo crowds with its tricks.

Orpha Lemmer Has Top Photo

In the photography Department at the Fair this year, color dominates over black and white, as it did last year. While the amateurs are well represented, there is only one professional entry. Subject matter ranges from portraits of people and cats to landscapes and places of interest and beauty; to everyday objects seen in a new way, and to exciting and dramatic events.

Amateur grand prize was won by Orpha Lemmer, Escanaba, with a scene called "Reflections". Professional grand prize went to Lee Wiles for a portrait of "Steve". William Pucklewartz of Escanaba took first prize in amateur portraiture with "Portrait Study". He also received second prize in this class for a photo of "Louie".

James Walker, Gladstone, was awarded third prize in amateur portraits for his "Cat Portrait". In the amateur landscape class Orpha Lemmer won the first award for "Reflections", and second for "Peaceful Valley", while third prize went to Bill Pucklewartz for "Ford River Road".

James Blaisdell of Escanaba took first prize in the color photography class for a view of "Mount Vesuvius from the Ruins of Pompeii". Second prize in this group went to Richard Casey, Escanaba, for his charming picture "Fawn".

Third prize was won by James Walker, Gladstone, for "Eternal Shadows", a peaceful, calm interpretation of a gravestone surmounted by a cross.

Second prize in the amateur open group was awarded to a photo of a Spanish adobe colonial church built in the eighteenth century in Taos, New Mexico which was taken by James Blaisdell. Third prize went to Barbara Nelbel for her two photos of a racing car tumbling over, entitled "Up, Over, and Out".

Hunter Safety Schools Planned

Sixteen hunter safety programs are scheduled for 18 schools in the Upper Peninsula for the week of Sept. 16-20.

Schools scheduled for the hour long program include: St. Ignace, Cedarville, DeTour and Pickford in the Northern District with Conservation Officers Bruce Andrews, Sault Ste. Marie, Ed Dorie, Manistique, and Harold Hammond, Pickford in charge.

Even Water Dry

FORT ROCK, Ore. (AP) — R. A. Long, a rancher in south-central Oregon, described the summer's dry weather this way: "I sent off a sample of water to be analyzed and the report came back—40 per cent moisture."

Virginia Vogt, 8, Is Sweepstakes Winner For Art

A strong interest in art is evidenced at the U.P. State Fair this year by the large number of entries in the Art Department, and by the variety of subject matter and techniques. Juniors as well as Seniors have contributed oil paintings, water colors, charcoal drawings, ink and pastel works, and collages. There are landscapes, portraits, flower paintings, still lifes and imaginative creations. The Junior department has overflowed the space allotted to it.

Sweepstakes prize in the Junior section was won by an eight year old girl, Virginia Vogt of Escanaba, with her group of three pictures, "Mona Lisa of the Woods", "Yellow Flower", and "Gigi". In Junior Oils, Betty Donalds, Escanaba won first prize, and Betty Pierson, Escanaba, took second. Other winners were Davis Oas, Gladstone, third; Laurie Bryak, Bark River, fourth; and Donna Stiglitz, Gladstone, fifth.

In the Junior water color division Davis Oas took first, Beverly Martin of Gladstone took second, Betty Donalds third, Beverly Martin fourth, and Davis Oas fifth.

Prize winners in the Junior miscellaneous division are Sue Nicholson of Escanaba, first with "Chalk, Green and White"; Marge Sauve, Escanaba, second with "Darkness"; Donna Stiglitz, Gladstone, third with "Bottles"; Mark Haack, Escanaba, fourth with "Red, White, and Blue"; and Cathy Olson, Escanaba, fifth with "Dark Shadows".

Both abstract and realistic works are to be seen in both Junior and Senior sections. Grand prize in the Seniors was taken by Clara Mosenfelder of Escanaba with her group of three water colors; "Marquette Ore Docks", "Quincy Stamp Mill", and "Stonington Barns". First prize in oils went to Mrs. H. Nicholson, Escanaba, for "Opal Tints"; second to Lois Nordin, Manistique, for "Sunset"; third to John Schwalbach, Gladstone, for "Two Dollar Wine Glass"; fourth to Paulette Vanlerbergh, Escanaba, for "Lilacs"; and fifth to Walter Hamilton, Escanaba, for "Floral Display".

Senior winners in water color are Mrs. V. H. Powers of Escanaba, first for "Susan and Jenny"; Mrs. Joseph Vogt, Escanaba, second for "Flowers"; Harry Nelson of Cornell, third for "On the Old Farm" and fourth for "Shoreline". Christine Groleau of Rapid River was awarded fifth in this class for her painting "October".

Mrs. Joseph Vogt took first prize in the Senior miscellaneous class with a pastel portrait of "Diane". Second prize went to Mrs. V. H. Powers for a mixed media drawing of "Rod". Third was taken by Audrey Olson, Escanaba, with a portrait sketch, and fifth by Walter Hamilton, which was awarded to his "Rice Harvest".

Ruppe Will Visit Fairs In District

HOUGHTON — Congressman Phil Ruppe will spend most of the rest of the week at the Upper Peninsula State Fair in Escanaba. On Friday Ruppe will take part in the groundbreaking for the new campus of Bay de Noc Community College in Escanaba. On Saturday, he will journey to Sault Ste. Marie to participate in ceremonies marking the 300th anniversary of that city.

Ruppe said that he will be in the 11th District throughout August before returning to Washington when Congress reconvenes in September. Next week he will attend county fairs in Alpena, Petoskey and Houghton. He will later tour Pictured Rocks and Isle Royale National Parks and attend Labor Day festivities in Ontonagon, St. Ignace, and Rock.

Ruppe, running unopposed in the August 6th Primary, chalked up 30,000 votes, equaling the tally of the two Democratic Primary contestants for U.S. Congress.

The phrase, "The only good Indian is a dead Indian," is attributed to Gen. Philip H. Sheridan.

Kingsford Drive Saves Football

KINGSFORD — The Breitung Township-Kingsford Board of Education Tuesday voted unanimous approval of a community campaign to provide funds to continue the school district's extra-curricular activities program, giving the green light to Kingsford High School football.

The Board said, however, that \$5,000 in cash and \$15,000 in pledges must be received by the school board by Aug. 30 and that \$20,000 in cash must be received by Nov. 1.

The total amount needed, \$24,000, must be received in cash by Jan. 1, 1969, the board said.

Directors of the fund-raising drive reported Tuesday that \$16,776 in pledges has been received with more pledges expected.

The drive to raise \$30,000 from the community began last week after the Board of Education announced that all extra-curricular activities — including inter-scholastic sports, music and forensics programs, etc. — would be eliminated in an austerity program forced by

the Aug. 5 defeat of the district's millage proposal.

The drive was organized at a general meeting last Thursday night. Funds raised will not go into the district's general fund, but will be placed in a special activities fund to be administered by Wallace Bergman, clerk of the Board of Education.

Overtime Ban Perils British Car Production

LONDON (AP)—The seven-week-old overtime ban at Automotive Products, Ltd., which produces 95 per cent of the clutches used in Britain's vehicles will seriously affect post-vacation production, industry sources said Tuesday.

The ban also is expected to hamper preparation by most firms to produce next year's models.

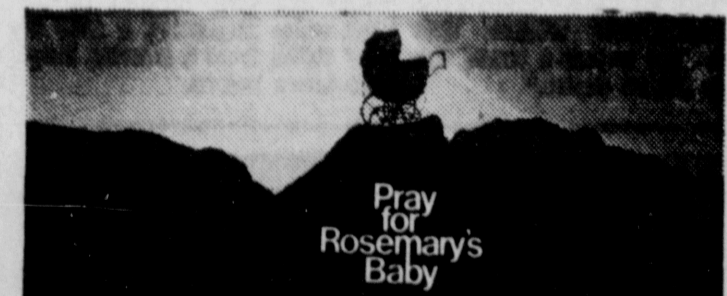

A spokesman for British Leyland Motor Corp. said that since the firm returned from its annual shutdown two weeks ago, stocks of clutches, automatic gearboxes, brakes and filters made by Automotive Products were being watched with "great apprehension." The spokesman said, though, that no British Leyland factories were affected so far.

Nix Sunday Sales

GRAND RAPIDS (AP)—Sunday liquor sales in Kent County were rejected 4-3 Tuesday by the legislation committee of the board of supervisors but Supervisor John Edison said he would press for a vote at today's board meeting.

Hail Centennial Farmers Friday

The Michigan Historical Commission and the U.P. State Fair Board of Managers will honor the centennial farmers of the Upper Peninsula at the Governor's luncheon program of the U.P. State Fair on Friday, Aug. 16.

The special recognition program will be held at the Terrace Supper Club at noon on Friday. Farmers who will receive certificates in the observance of the 20th anniversary of Michigan's Centennial Farm program are:

Mr. and Mrs. Louis Farley, whose Centennial Farm is near

Garden, Delta County; G. Leslie Bouschor, Manistique, whose farm is in Schoolcraft County south of Thompson; Frank Gray, near Garden in Delta County; Mr. and Mrs. Bernard Schaffer of Ashland, Wis., whose farm is at Ontonagon; and Clarence Penegor, whose farm is at Rockland in Ontonagon County.

The Centennial Farm program was inaugurated by the Michigan Historical Commission in 1948 for the purpose of emphasizing the contributions which farmers have made over the past century to the economic, educational, cultural and social advancement of Michigan.

The Michigan Historical Commission will meet at the House of Ludington in Escanaba at 9 a.m. on Friday, Aug. 16.

Dr. Willis Dunbar of Kalamazoo is president of the commission, Harry Kelsey of Lansing is the executive director. Other members are Willard C. Wichers, Holland; Mrs. Donald Adams, Drayton Plains; Hudson Mead Gross point; Dr. Louis Vander Velde, Ann Arbor; and Clinton Dunathan of Escanaba.

D. Kittredge Dies Monday In Chicago

Donald S. Kittredge, 54, of Chicago, died Monday. He had spent summers vacationing in the Escanaba area for many years.

He is survived by his widow, the former Norma Quigley; three sons, Norman of New York, Donald and Russell of Chicago, three grandchildren, two sisters, Mrs. Marie Kiesling, Mrs. Dorothy Perry and one brother, Frank Kittredge, all of Chicago.

The body has been removed to Tews Funeral Home, 2434 E. 79th St., Chicago and services will be conducted at 8 p.m. today.

Graveside services will be conducted at 2 p.m. Thursday at the Stephenson Township Cemetery, Stephenson, Mich.

Soo Hill

Attend Services

Attending funeral services for Mrs. Mary Anderson were

Mrs. Gerald Stampe and Mr. and Mrs. Ralph Comble of Ishpeming, Mrs. Dorothy Kurian and daughters, Mr. and Mrs. George Kurian, Mr. and Mrs. John Kurian, Mr. and Mrs. Paul Kurian, all of Marquette, Charles and Agnes Deedic of Perkins, Mr. and Mrs. Jerry Ozello Sr., Kingsford, Mrs. Catherine Dube, Milwaukee, Mrs. Stella Cox, Detroit, Mrs. Mary Marrier, Minneapolis, Mr. and Mrs. Richard Kurth of Green Bay.

TWENTY, ACTUALLY, but count the heads and there are 21 on board. Mayor Alderman Hope-Jones made the twenty-first passenger on the rear during the inaugural run for this 35-foot, 4-inch long bicycle in New Milton, England. Weighing two tons full loaded, the bicycle's motor power is provided by the rear eight riders who pedal connecting rods linked with the cranks to drive the rear wheel through two motorcycle chains. The project was begun by driver Rick Combe. (AP Wirephoto)

Fee Boost Approved If Area Millage Fails

A 50 per cent "across the board" increase in fees charged students of the Escanaba Area public schools was approved for the 1968-69 school year by the Board of Education Tuesday night if the district's millage proposal is again defeated.

Voters of the district will ballot Monday on the request of the Board of Education to levy 5.4 mills for two years to operate the schools.

Four previous requests for operating millage in the past year have been rejected.

The increase in fees would raise about \$30,000, the board said, and coupled with \$215,000 in previously announced cutbacks would balance the 1968-69 operating budget.

The Board emphasized, however, that the fee increase and the cutback proposed only would be implemented if the millage is defeated.

Schedule Listed

Included in the increase would be all fees such as textbook rentals, band rentals, athletic and lab fees and building use charges.

The text book rental increase would mean, for example, that student charges of \$8 last year for books and supplies would be increased to \$12 this year for books and supplies would be increased to \$12 this year at the same grade level.

Increases would line-up as follows: Kindergarten from \$1 to \$1.50; grade 1 from \$7.50 to \$11.25; grades 2 to 6 from \$8 to \$12; grades 7 and 8 from \$8 to \$12; and grades 9 through 12 from \$6.50 to \$9.75.

The Board said that the proposed fee increase was approved only after a thorough investigation of all alternatives available to keep the district from operating at a deficit.

In another move to shore up the financial picture, the Board approved an increase in adult tickets for high school football and basketball games from \$1 per person to \$1.25.

All bids on gasoline, oil, milk, and fleet insurance were tabled without being opened pending the result of the election.

Meeting Called

A special meeting was called for 9 p.m. Monday — after election results are tabulated — to consider unfinished business and also to certify the tax levy for the 1968-69 school year.

In other business Tuesday, the Board approved hiring of six teachers, all of them re-

Briefly Told

The Golden Age Club will meet at 7:30 p.m. today at Club 314 for cards, dancing and lunch.

The Delta County Building will be closed at noon Thursday for the rest of the day to allow employees to attend the Upper Peninsula State Fair.

The Delta County Sportsmen's Club will have trap and skeet shooting tomorrow night at the club grounds beginning at 6.

Marriage license applications have been made at the County Clerk's office by William Arvid Magnuson, Rte. 1, Bark River, and Sharon Lynn Olsen, 1909 8th Ave., S.; James Allen Burns, Milwaukee, and Virginia Ann Derouin, 1201 N. 18th St., and by William Edward Woolford, 201 N. 13th St., and Karen Ruth Estren, 411 Arbutus, Manistique.

Romney Plans Friday Visit

LANSING (AP) — A pair of Upper Peninsula appearances are on Gov. George Romney's schedule this week.

Romney planned a "vacation day" today and planned to work in his Lansing office on Thursday.

On Friday he planned an 11 a.m. car ride in a motorcade of the Upper Peninsula State Fair at Escanaba, a noon luncheon speech and an afternoon tour of the fairgrounds.

At 3 p.m., he was scheduled to speak at ground-breaking ceremonies at Bay De Noc Community College.

Saturday will be Governor's Day at Sault Ste. Marie, which is celebrating the 300th anniversary of its founding by Jesuit missionary Jacques Marquette. Romney planned a 10:30 a.m. (EDT) speech and a spot in the noon celebration parade.

VFW Auxiliary Plans Party At Iron Mountain

The Ladies Auxiliary to Hiawatha Post 2998, Veterans of Foreign Wars held their August meeting in the VFW Hall Monday night.

Petitions for memberships were received from Mrs. Kenneth Hockenson, Mrs. Joseph Charon and Mrs. John Moras. Plans were also made for a hospital party for the veterans at the Iron Mountain Hospital next month with Mrs. George Cholger in charge.

The Department Pow-Wow is set for Mackinac Island, Sept. 20-22, with headquarters at the Grand Hotel.

Delegates who will be attending the National Convention in Detroit, Aug. 16-23, 1968 are Mrs. William St. Jacques, Mrs. George Cholger and Mrs. Ray St. Vincent. Headquarters will be at the Hotel Whittier.

Report on the Sidewalk Day Bake Sale was given by Mrs. John Anderson. A social hour followed the meeting with Mrs. Andrew Yanitzky and her committee in charge.

Another School Millage Try

Powers-Spalding Voting Monday

Voters in the Powers-Spalding School District will go to the polls again on Monday, Aug. 19 to vote on a request for 5 mills for school operation for one year. The same proposal failed by 13 votes on June 10.

A statement released by the Board of Education pointed out that the district faces a \$20,000 deficit during the 1968-69 school year without the additional 5 mills.

At the present time the district has 6.5 mills voted for operation in addition to 7.86 mills (this is the new 1968-69 allocation) from the County Tax Allocation Board. The 5 additional mills for one year is requested to meet increased operating costs including higher teacher wages, bus purchases, additional teachers because of higher enrollments and the increased costs of supplies, text books, and other necessary expenses of running a school.

The board stressed that the district has no outstanding obligations, outside of bonded debt, as of June 30. Two teachers have to be added to the staff this year to handle the increased enrollments and this makes the third year that the district has had to purchase a

new school bus in order to provide safe transportation.

The proposed 5 mills, if approved by the voters, would mean that a taxpayer would pay \$5 in taxes for every \$1,000 of state equalized property valuation and for one year.

The Board of Education urged all of qualified school electors of the district to support the proposed millage increase.

Voting will take place at the Spalding Township Hall from 7 a.m. to 8 p.m. on Aug. 19.

St. Patrick Board Elects New Officers

The St. Patrick School Board of Education held election of officers for the coming year Tuesday night.

Officers are: President, Harold Anderson; Vice President, Jack Manning; Secretary-Treasurer, Mrs. Fred (Elaine) Saykly. Other Board members are: Rupert Primiski, Charles Bomaster and Richard Pryal. Ex Officio members are Rev. Thomas Carmody and Sister Catherine William.

VOTE NO MONDAY

Our School Board should be ashamed to continually hold special elections after the people have told them emphatically how they feel. They have plenty of money for elections, yet claim to be so poor.

Aren't they supposed to represent us?

Do they?

Show them that this procedure is not right or just...

VOTE NO MONDAY

Right-Wing Plot Blamed In Greek Assassination Try

ATHENS (AP) — Greek police intensified their searches today and made new arrests in the wake of the attempt to assassinate strongman Premier George Papadopoulos.

George Drossos, an Athens journalist and former government press undersecretary, was dragged from his bed by security police before dawn.

A former army commando lieutenant, George Panagoulis, 30, was seized as he tried to flee from the scene 19 miles south of Athens on the picturesque shore of the Saronic Gulf, officials said.

The government blamed the attempted assassination on right-wing plotters.

School Board Problem

The "Millage Facts" column appearing daily in the Escanaba Daily Press appears to be generating quite a bit of interest in the Escanaba Area School District election scheduled Monday, Aug. 19.

That's only 5 days away.
Voters will ballot on a proposal to levy 5.4 mills for two years for school operations. It will be the fifth time in a year that the proposal has been before the voters.

If the voters turn down the millage this time they'll have a different kind of school operation.

The school buses will be put away in the barn and won't run and parents will get their kids to school as best they can.

There will be no hiring of new teachers to keep up with the growth of the student body. Teachers will just teach more kids the best way they can.

There will be other economies.

It will, of course, be a poorer school program. But it will have one big merit. It will be more realistically geared to the schools' income and won't further stretch the already big (\$90,000) deficit that the area schools have incurred by spending more to educate children than the district is receiving from local taxes and state aids.

There seems to be quite a bit of belief that because the voters voted down the needed millage four times already and nothing much happened to the school program that more of the same won't bring many changes.

This isn't the informed view. We have a new school board.

It's a good board. Dedicated, Unpaid, like its predecessors. Trying to create the best possible school program for the area with the money available.

But this board is different in some important respects.

The reason that it's new, for one thing, is that the former members of the board got sick of their jobs. They were elected by the public to operate a public school system. They found out what was needed and proposed it to the public. And the public said "No." Four times in a year.

It is an interesting fact that no matter who gets elected to the board of education, or when, they come around, when thoroughly familiarized with school needs, to proposing enough millage (school taxes) to pay the bills of a modern school operation.

But the public hasn't been similarly convinced.

It keeps insisting: Operate the schools on less!

The board knows that the public doesn't really want this, because it means a serious shortening up of the school program at a time when we need the best schools we can get.

So the board said after the last millage defeat: We'll try again (Aug. 19) before the start of the new school year. If the vote is "Yes" we'll put on as much of a school program as the money will finance.

If the vote is "No" we'll cut back the school program to match school funds.

No one is going to like a business school system without buses after having had years of the benefits of such a system.

No one is going to like the poorer quality of instruction resulting from fewer teachers and other economies.

They needn't be if the vote is "Yes."

Gladstone has voted more millage for its schools than the Escanaba Area School District has. So have other cities in the U. P.

What the Escanaba Area "No" votes have bought chiefly is a disenchantment with school board service to the public. Now we're having another round with a new board which has profited by the lesson of its predecessors.

It is going to give the public its desire. If the vote is "No" on Aug. 19, down comes the axe.

Then there'll be a "Save the Buses" campaign, we suppose, and other feverish activities, like over at Iron Mountain where the people didn't believe that their board would chop the school program down to the size of the school income.

There's no reason to believe that anybody's bluffing about Aug. 19.

It's Decision Day for the Escanaba Area Public Schools. All the little fibs are coming home to roost. The insistence that the schools can get along with less will have its test. Unionism will have a test. Parentism will have a test. Community confidence will have a test.

(We feel the need to say that we don't think that even a "Yes" vote this time will solve the problem permanently. There have been too many "No" votes already, in the Escanaba Area and elsewhere in Michigan. It has become impressive to persons who understand the situation that Michigan's public school system cannot be singled out as the lone guinea pig for voter veto of government spending.)

(Nothing is more vital to our welfare and our survival than an educated electorate and yet we make the vital needs of the schools the one item of government spending which voters are asked to approve. They take out their frustrations and irritations at all government spending in these unfair exercises of democracy and it obviously must end, or our system will be damaged.)

(The solution, of course, will mean that people will pay more for their schools than they are now and not have a voice in their financing. That is the real import of repeated millage defeats. For the long run we are not shortening up the schools as much as we are the democratic process.)

"Doesn't Look Like a Dove"

'New Nixon' Proved Master Strategist

By BRUCE BLOSSAT
MIAMI BEACH (NEA) — Richard Nixon won the 1968 Republican presidential nomination because he used the established political process superbly and no one else did. He did all the things a man is supposed to do to triumph by means of this free system. No candidate who did not at least match his use of the process can fairly complain today that "the people have denied the choice they want."

It is no testimony to freedom, as some critics seem to think it is, to fail at its daily mechanics and then proclaim that it is not working. Nixon showed, in exemplary fashion, how it can be made to work even for a man branded a loser, a tired face, a bumbler too heavily dependent upon contrivance.

In this campaign he made no serious mistakes. He put together a highly effective organization, fielded it very early, gave it purpose and direction by supplying it with a plausible though not risk-free strategy.

There was no "new Nixon" in the sense that the public this time was given a man utterly free of contrivance or of fear.

But there was clearly a better Nixon in the sense that the voters were shown a man who had learned from many hard lessons, who responded by changing his ways and who took substantial risks in an effort to prove that he was worthy of the nation's confidence in this new bid for power.

Assailed in 1960 as a lone wolf who did not know how to use men, he reversed himself and sought counsel steadily with his quite superior board of strategists.

Told he was a failure with the press, he answered in 1968 by serving newsmen with in-

credible efficiency and making both himself and his aides accessible to them as never before.

He met the "loser" charge by plunging into six primaries and winning them all with impressive vote totals. It was not Nixon's fault that he had no competition, that Michigan's Gov. George Romney dropped out early, and Gov. Nelson Rockefeller never got in.

When the fervent partisans of California's Gov. Ronald Reagan tried to build a threat in the primaries with a curious kind of absentee candidacy, Nixon met it and beat it very soundly. When the governor at the last moment declared open candidacy, the former vice president snuffed out that danger as well.

The fact is that in 1968, whatever his past reputation for caution, Nixon was a risk-taker.

Knowing he was second choice to Reagan with southerners who still harbored the Goldwater dream, he nevertheless built a delegate base in the Old South and took the chance it would not fall apart at some critical point.

The whole Reagan strategy was beamed at making it crumble, but Nixon's shrewdly structured network of southern leaders held it together when it counted most. He took the risk that reliance upon a southern base would make him captive to southern conservatism and also alienate the northern party elements he would need for victory.

Against some predictions, he resisted that captivity. And not only his stunning primary triumphs in six northern states but the convention's votes he ran up in New Jersey, Vermont, Pennsylvania, Illinois, Iowa and the West proved he could maintain broad acceptability despite heavy dependence on one region.

What Nixon won in Miami Beach on a single ballot he earned by every fair measure.

People, Events Of Yesteryears

From the Files of the Escanaba Daily Press

25 Years Ago

Sophie Hohnacki, of Escanaba will be one of 30 WAC's from Michigan who will take part in an hour-long broadcast to originate on a Kalamazoo radio station.

Pfc. William C. Coon of Escanaba, has been transferred to the 430th Bomb Squadron at Signal Hill, Orlando, Florida.

50 Years Ago

Harvey D. Spindler, weather observer at the local station has returned to the city from his home in Ohio, where he was called two weeks ago by the death of his brother, W. J. Summerville, of Madison, Wis., who served during the absence of Mr. Spindler, will leave for his regular post on Wednesday morning.

Eugene Beaudoin, who has been engaged as caller for the Northwestern road for the past several years left for Ann Arbor with three other men for his training in mechanics at the University of Michigan. Beaudoin will take the place of Henry D. Nystrom in the contingent, Nystrom being unable to go at this time.

The last half of the match between the Orange Team and the California All-Stars was played before a Bridge-O-Rama audience which saw the second play of each hand and the results.

The Dallas audience was rooting for the Dallas team and was very unhappy when they saw that Don Krauss of California had played four spades doubled and made five. The bidding was that shown in the box.

Dr. John Fisher of Dallas, a member of the Jacoby team that won the 1965 Vanderbilt and second with James Jacoby in the World's Pair championship at Amsterdam in 1966, remarked while the players were getting to bid, "This hand shows why it is so much easier to watch than to play. These are all action players who operate on the theory that if you sit around doing nothing, you never fall down but you never get anywhere either. I predict the same bidding and same result on this replay."

John turned out to be a prophet. Billy Eisenberg opened three spades. He had a typical vulnerable pre-empt. Ron van der Porten doubled. No one was going to shut him out with 16 high card points and fine support for any suit that his partner might bid.

Mike Lawrence raised to four spades. He had the right hand with which to make the bid.

It was up to Lew Mathe to act. We aren't going to say that Lew is the greatest player in the world. All we will say is that no one is any better.

Lew started to think. Fisher said, "If he could see all the cards he would pass but all he sees are his own 13. Only a 'Milquetoast' would pass with his hand, and Lew is an active player."

Sure enough, Lew did double and Billy made the same over-trick that Don had.

TODAY'S QUESTION
You do pass. West redoubles and North and East pass. What do you do now?

Answer Tomorrow

The Family Lawyer

"CHARITY"
Arthur took a trip out West to visit his ailing Aunt Jane. Next time he filed an income tax return, he deducted the cost of the trip as a "charitable contribution." Challenged by the government, he offered this explanation in court:

"I made that visit out of the goodness of my heart, to cheer up a sick old lady. I call that charity."

But whatever Arthur called it, the court held it was not charity—at least, not in the sense meant by the income tax laws.

Deduction of charitable contributions (up to a certain limit) has been allowed almost since the income tax began. The idea is that when you make such a contribution, you are not only being generous but also easing burdens that would otherwise fall upon the government.

Therefore, to qualify as charitable, your contribution must be of some public benefit—not just a favor to a particular individual. Usually this means giving to one of the organizations on an approved list, issued periodically by the government.

Typical of approved organizations are the Salvation Army, Community Chest, or Red Cross. But there are plenty of other worthy causes that will qualify.

Thus, a donation to an association for the benefit of American Indians was held deductible. So was a donation to an exchange set up for selling needlework done by deserving women.

However, your contribution won't be deductible if the organization merely "sounds" charitable but isn't really.

In one case a taxpayer tried to deduct his gift to a certain church. But it turned out that this particular church was occupied less with saving souls than with running businesses. The court thereupon denied the deduction.

A gift may also be held non-deductible if the organization is substantially involved in trying to influence legislation. For by allowing such a deduction, the government—in effect—could be subsidizing one side or the other of a political issue.

What about a gift to the federal government itself? If given for a public purpose, the gift would indeed be deductible. Obviously, if you donate money to the federal treasury, you are easing Uncle Sam's burdens.

Ann Landers

Mental Aid Need Is Urgent; Hop To It

Dear Ann Landers: I don't want my baby and I need to know what to do about it. Before you start to look up homes for unwed mothers let me tell you I am married and have a good husband.

When Bill and I were going together we agreed not to bring any children into this crazy world. We felt it would be unfair. I was six weeks pregnant when we married but didn't know it.

When I told Bill I was pregnant he was surprisingly happy. I told him I was miserable and didn't want the baby. He assured me I would change my mind and for a few days I believed him. Now I know better. I hate the thought of having a baby and I fear I will do something terrible to him.

My feelings are unnatural and I need professional help but we live 70 miles from a mental health clinic and the roads are bad. Also, I don't think a doctor could change my mind. What should I do?—A READER AND FRIEND

Dear Friend: If you had a broken leg you'd make that 70-mile trip, wouldn't you? Well, this is equally urgent. Get going. There is no time to waste.

Dear Ann: I was amused by the letter from the woman who was tired of well-meaning friends and relatives who insisted on "helping" her in the kitchen in spite of her protests.

Framed and hanging in my kitchen is a poem that has helped me a lot. Here it is: Please stay away from my kitchen.

From my dishwashing, cooking and such.
You were kind to have offered to help me
And I do want to thank you so much.

I hope you won't think me ungracious
When I ask that you leave me alone,

For my kitchen is not very spacious
And my system is strictly my own.
It may well prevent a few wars.

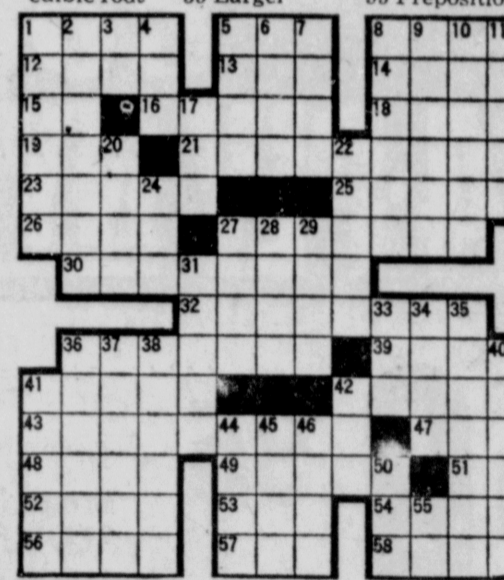

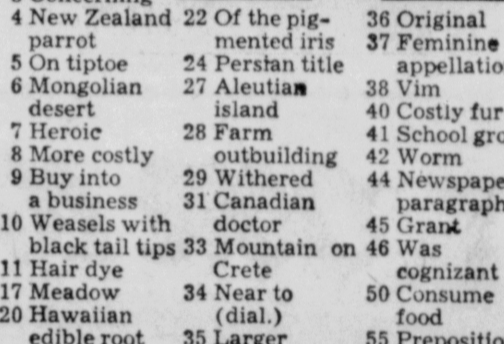

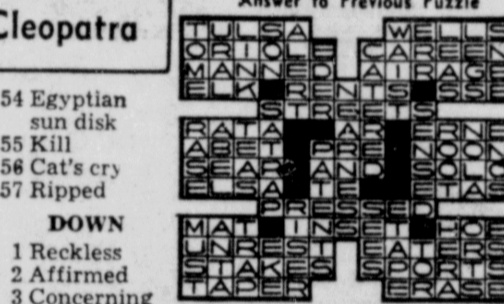

So please stay out of my kitchen,
And when I am invited to your house,

Keep quiet.

Jews, Bitter, Leaving Poland

WARSAW (AP) —There is a sad Jewish exodus these days from Poland.

It isn't big. There are only 25,000 or 30,000 Jews left in Poland.

Those leaving are doctors, teachers, lawyers, actors, engineers, journalists, mostly professional people. From various estimates, about 800 may have left since June, 1967.

They go disappointed, bitter, feeling there is no future for them here. And these survivors of Hitler's genocide which nearly obliterated Poland's 3.5 million Jews, represent a loss to the state.

The exodus is the result of an anti-Israel campaign which began a year ago after the defeat of the Arab states and a more recent "anti-Zionist" campaign launched by the Communist regime after an outbreak of student demonstrations and rioting last March.

In June, 1967 party chief Wladyslaw Gomulka denounced Polish Jews and non-Jewish Poles who welcomed Israel's victory over the Arabs. He said the door was open to Jews wishing to go to Israel.

Poles must sign an "application" to give up Polish citizenship in connection with their "departure for good" to another country.

Jews are allowed to emigrate to Israel. They apply for visas to the Dutch Embassy, which has been handling Israeli affairs here since Poland broke off relations in June, 1967. The embassy refuses to reveal the number of visas being issued.

Alexander Pope, English author, was called the "Wasp of Twickenham."

THE REV. WILLIAM H. DuBay, suspended Roman Catholic priest, and the former Mary Ellen Wall, divorced mother of four, are pictured after their marriage at Idyllwild, Calif. The ceremony was performed by a Presbyterian minister. DuBay was suspended in 1966 after he criticized James Francis Cardinal McIntyre for alleged disinterest in racial causes. (AP Wirephoto)

State Youths Are Extradited On Stabbing Charge

CHICAGO (AP)—Two Michigan youths accused of fatally stabbing a student in Massachusetts waived extradition proceedings Tuesday in the criminal division of circuit court.

Ross G. Whitthoeft, 17, and Craig Simoni, 16, both of Beverly Hills, Mich., were transferred to the custody of Plymouth County, Mass., sheriff's police.

Both are charged with manslaughter in the fatal stabbing of Robert D. Phelps Jr., 20, a Boston College student from Wethersfield, Conn. His body was found Thursday near Middleboro, Mass.

Tour Inquiries Set New High

LANSING (AP) — The tourist business appears to be booming in Michigan, according to reports on the number of travelers served at the eight State Highway Department travel information centers.

The highway department reported 209,098 persons stopped at the centers in July. This topped the previous monthly high of 204,628 in August of last year and also the 202,118 previous high for July, also in 1967.

A seven-day record also was set in the week ending Aug. 3 when 62,884 travelers stopped for information. The previous high was 50,061 in the week ending Aug. 12, 1967.

If the rate continues, the department said, it is possible that travel information requests will reach 800,000 this year, exceeding the high for last year by about 100,000.

The centers are located on main highways at New Buffalo, Ironwood, Mackinaw City, Clare, Port Huron, Sault Ste. Marie, Menominee and Monroe. Another will be opened later this month on Interstate 69 near Coldwater.

SHOWN ABOVE is Keith Farrell, Sales Representative for R.J.R. receiving a check for \$140 for the Viet Nam Promotion. For each carton sold Mr. Casimir Milkiewicz donated one package free to the soldiers in Viet Nam. Through the cooperation of R.J.R. 1200 packages were donated and the check was sent to Winston Salem, North Carolina. Adv.

New Lock Will Boost Shipping

EAST LANSING (AP) — "A new age of longer ships" is coming to stimulate Great Lakes commerce, reports a Michigan State University business professor.

The opening of a giant new lock at the Sault Ste. Marie Ship Canal next spring and the launching of the first bulk ore carriers will combine to boost the state's shipping industry, said Dr. Anne Garrison.

The new ships, some more than 1,000 feet long, will fit the new, 1,200-foot Poe Lock with plenty of room to spare.

Dr. Garrison said the main incentive for larger ships and locks is the growth in the shipment of Taconite pellets "which now constitute 65 per cent of Michigan's iron shipments."

The pellets, more uniform in size than the raw ore, are in great demand for use in blast furnaces.

The uniform size of the pellets, she said, allows automated loading and unloading of the cargo.

This is more of an economic factor than the speed of the vessel, said Dr. Garrison, and will enable the bulk carriers to make more trips per season.

"The production and moving of Taconite have had and will continue to have a stimulating effect on the Escanaba, Ishpeming and Marquette areas," Dr. Garrison said.

Patches On Pants Bring Charge For Mutilating Flag

NORTHFIELD, Vt. (AP) — An unemployed carpenter has been charged with publicly mutilating and defacing a U.S. flag by wearing it as patches on the seat of his pants.

Washington County Atty. Joseph Palmisano brought the charge Tuesday night against Lawrence Wang, 19, of Plainfield, who wears his long hair in a pigtail.

The charges said that by his alleged act Wang "cast contempt" upon the flag by "wearing said pants in public view."

Wang, learning that the county attorney had brought the charge, surrendered at the Northfield home of District Judge John P. Connarn. He pleaded innocent and was released in \$100 bail.

On Arts Council

LANSING (AP) — Irving Bluestone, 51, assistant to United Auto Workers President Walter P. Reuther, is one of three reappointments by Gov. George Romney to the State Council for the Arts.

Also reappointed to four-year terms are Dr. Morrette Rider of Holland, music professor at Hope College, and Michael Church of Ann Arbor, assistant director for cultural activities at the University of Michigan.

Fair Art Works Singled Out For Special Attention

The U.P. State Fair Art Department located in the Industrial Arts Building is continuing a popular feature and each day will single out one entry for designation as the "Picture of the Day," announces Mrs. Helen Costley, superintendent.

An oil painting titled "Tree" by Terry Anderson, Escanaba, was the choice for Tuesday. Today's picture given special designation is "Canyons" a tempera painting by John Schwalbach of Gladstone.

Thursday's "Picture of the Day" will be "Reiss Coal Dock" by Robert Coan of Escanaba.

Blarney Stone Not For Sale

CORK, Ireland (AP) — The Blarney Stone is staying in Ireland.

A bold million-dollar American bid for the stone, which traditionally bestows the gift of eloquence on those who kiss it, has been turned down.

The very thought of the treasure leaving Ireland was enough to make any Irishman see red — or green.

Mrs. Penelope Hillyard, the Irish lady who owns the legendary limestone imbedded beneath the battlements of Blarney Castle, said Saturday the offer came from an American chain store millionaire.

"It's not for sale," she told him.

To keep the Blarney Stone in Ireland, she disclosed, her late uncle, Sir George Colthurst, specified in his will that the rock must never be sold.

Sir George owned Blarney Castle, lock stock and rock, and he appointed the minister of justice as trustee to insure that the stone remain an heirloom of the nation when he died in 1951.

Almost 30,000 tourists from around the world converge on the castle every year to kiss the stone, and many an Irishman mingles with the crowds of kissers.

Mrs. Hillyard refused to give the name of the millionaire who wanted to buy the stone.

Jokers' Target C. P. Columbus, Moves To Hawaii

MEMPHIS, Tenn. (AP) — Christopher P. Columbus of Memphis, Tenn., is moving to Hawaii, where he declared he will insist on being listed in the telephone directory as merely C.P. Columbus.

Columbus, who has been a procedures officer at a Defense Department supply dept. here is taking another government job. And in a new home, he doesn't want more calls from intoxicated jokers.

Mrs. Columbus says having a husband named after the man who discovered America is a problem for her.

"A lot of people call and say they don't believe Columbus discovered America," she said. "Some of the callers ask my husband about the three ships."

Columbus said he has trouble traveling.

Once on a Columbus Day, he asked an airline to make reservations for him to Columbus, Ohio.

Asked his name, he gave it. He was serious about the trip but says he had a tough time convincing the airline.

July Retail Sales Higher Than June

WASHINGTON (AP) — Retail sales for July were estimated by the Commerce Department Friday at a seasonally adjusted \$29.1 billion, up three per cent compared with June.

Store trading in durable goods led the increase with a five per cent rise. Sales by non-durable goods stores climbed two per cent in the month. Automotive and general merchandise stores posted gains of more than five per cent, the department said.

The seasonally adjusted figure for July was about 10 per cent above year-earlier levels, the department said. The adjusted figures for durable goods and non-durable goods stores were \$9.6 billion and \$19.5 billion, respectively in July.

College Code Bans Discrimination

EMPORIA, Kan. (AP) — Emporia State College has installed a new antidiscrimination code affecting landlords and employers who list housing or jobs with the school.

Dr. John Webb, dean of student affairs, said landlords will be asked to sign an agreement to offer housing without regard to race, color or national origin. All the school's 7,000 students are required to live in college-approved housing.

Webb said the school would not list jobs offered by employers who discriminate in hiring on the basis of race, creed or color.

SEN. GEORGE MCGOVERN of South Dakota, belated candidate for the Democratic presidential nomination, talks with three studio spectators after appearing on the program "Meet The Press," aired from Washington. He said he thought he has a fighting chance in his drive for the nomination but conceded that he will have to work fast. He said he is banking on the support of most of the delegates pledged to the slain Sen. Robert F. Kennedy. (AP Wirephoto)

what's in a name?

Our full name is

"The Great Atlantic & Pacific Tea Company"

But, to most, we're "A&P" for short.

And some friends like to call us "The Tea Company."

Why? Well, in 1859, when A&P began, our first product was tea.

We bought full shiploads from the Orient and sold it at great savings to the public.

You learn a lot about tea in more than 100 years.

Today, you can savor the results of all that experience by tasting one of A&P's fine tea products:

Our Own Tea Bags, for example.

Each bag contains up to 15 of the world's finest teas, from as many as 5 different countries.

It can take that many to develop our distinct blend.

So now you know why, by some, we're called "The Tea Company."

If you'd like to know why we're called "Great," shop A&P this week.

Fred Lesica Is Army Lieutenant

Fred J. Lesica, 526 Park Ave., was commissioned a 2nd lieutenant in the U.S. Army in ceremonies Aug. 9 at Fort Riley, Kansas. The son of Mr. and Mrs. Ferdinand Lesica was one of 172 R.O.T.C. cadets who received their commissions with Gen. William C. Westmoreland, recently appointed Chief of Staff, presiding.

Gen. Westmoreland, who formerly was U.S. Commander in Vietnam, spoke briefly on the value of reserve officers to the U.S. He was accompanied at the ceremonies by Brig. Gen. Nathan Boatwright, commander of the 24th Infantry Div. and Fort Riley.

The new 2nd Lt. and his brother, Keith George Lesica, returned Aug. 10 from six weeks of officers training with 2400 other R.O.T.C. cadets. Fred will report to the Adjutant General officer's basic court school at Ft. Benjamin Harrison, Ind., on Sept. 13 for two years of active duty with this branch. He is an Apr. 1968 pre-law graduate of the University of Michigan and an

Lake Property Owners Meet

A report on the year's activities, a financial report and three directors to be elected top the agenda of the Indian Lake Property Owner's Association meeting Thursday night at 7:30 at the Hiawatha Township Hall.

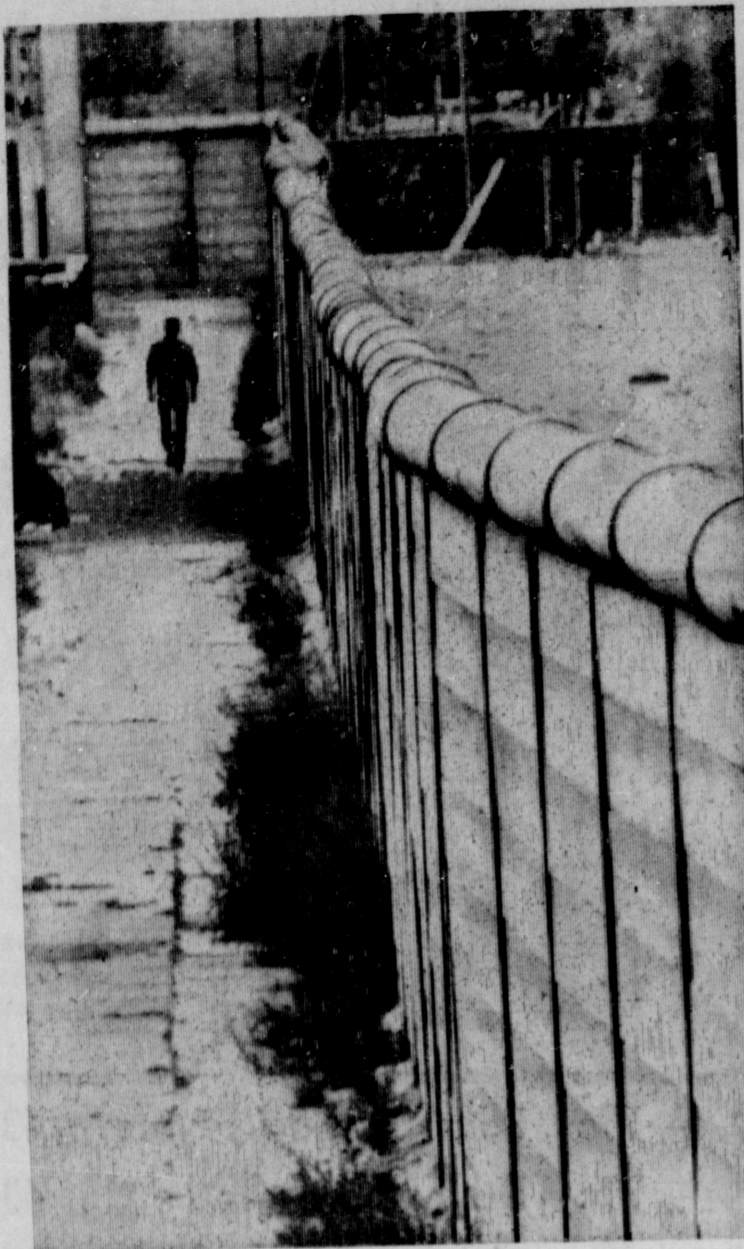

Otmer J. Schuster, secretary of the Association, urged a good attendance at the annual meeting in a letter to all Association members. Action items which will be discussed include the continuation of the Association itself in view of poor membership attendance, the walleye hatchling program, Indian River Dam, water quality, and financial status of the group.

All members are asked to attend the meeting which will take place in the former Maple Grove School.

Obituary

MRS. JOHN LEONARD
Funeral services for Mrs. John (Bernice) Leonard were held Friday, Aug. 9, at the Kefauver & Jackson Funeral Home with Rev. Mr. Philip Miehle officiating. Pallbearers, all nephews of Mrs. Leonard, were Ron, Kent, Kirk, and Burton Peterson, Ellsworth and Michael Turan. Burial was in the Lakeview Cemetery.

First U. S. vice president to succeed to the presidency because of the death of a president was John Tyler, at William Henry Harrison's death.

A MAN WALKS PAST part of the Berlin wall in the American sector of the former German capital. Tuesday the barrier was seven years old. This section of fortification is at Mariannenstrasse in the district of Kreuzberg. (AP Wirephoto by cable from Frankfurt)

Police Troopers Are Transferred

EAST LANSING (AP)—State Police have announced the promotion of one trooper and the transfer of two others. Trooper Hugh Fish of the East Lansing Crime Laboratory unit will be promoted to detective, remaining in his present assignment. Trooper John Shear of the Clinton post is being transferred to Jackson. Trooper David Larsen of the Niles Post has been assigned to the East Lansing Crime Laboratory.

Hospital

Admitted to the Schoolcraft Memorial Hospital on Monday were Eva Moe, William Gardner, Alvina Lemarb, Marie Hentschell, Charles Jenerou, Kenneth Bryant, Helen McLaughlin, R. J. Mattlin, and Conrad Hoholik.

Discharged from the hospital on Monday were John Betterly, Peter Dausey, Billy Dial, Vance Cumble, and Linda Swisher and baby.

Card of Thanks

Leonard

We wish to take this means in expressing our sincere thanks to everyone who helped us during the illness and death of our beloved one, Mrs. John (Bernice) Leonard. We especially thank the doctors and nurses of Schoolcraft Memorial Hospital, Kefauver & Jackson Funeral Home, Pallbearers, the Goodwill Club, the Schoolcraft County Road Commission, Rev. Mr. Philip Miehle for his comforting words, all those who sent gifts of flowers, food, and money, and the ladies who helped serve the lunch. Your many acts of kindness will always be remembered.

The Family of
Mrs. John (Bernice)
Leonard

College Faculty Votes For Strike

GRAND RAPIDS (AP)—The 138-member Grand Rapids Junior College faculty has voted to strike if a contract agreement with the board of education is not reached by Aug. 26.

A one-year contract with a salary range of \$6,840 to \$11,720 expired Aug. 1 and negotiations on a new contract have continued four months with no agreement on economic issues.

Roland Lubbinge, top negotiator for the school board, said the labor dispute may go to fact-finding with a state labor mediator.

City Children Vacation Here

"Friendly Town" has been observed in the area again this summer. Friendly Town is sponsored by the Chicago Community Renewal Society and makes it possible for children ages 7 to 11 from the inner city to spend a two weeks vacation in a small town or rural area. The program was introduced last year by First Lutheran Church, Gladstone, with five families taking a child for the two week period. This year several families in Escanaba are hosting children and also at Bark River.

The host families and the children in Gladstone are: Lee Larson, Mischa Stewart; Ellis Movaisson, Edgar Dillard; Reuben Carlson, Richard Dillard. In Bark River, Arnel Johnson is staying at the Richard Ayres home. These children will return to Chicago on Saturday. Earlier in the summer Jorge Rivera spent his second summer vacation at the Melvin Strom home.

GLADSTONE Rains Relent! Parks Are Busy

All state parks' activity in the Upper Peninsula is in high gear and trying to make up deficit incurred during the rainy season. If this week's weather holds through August, they just might make it.

For the week ending Aug. 4: **Park Camp Permits**
Baraga 1887
Bewabic 1188
Brimley 5615
Fayette 1080
Fort Wilkins 3128
Indian Lake 3964
Lake Gogebic 2209
McLain 1792
Muskallonge Lake 1606
Porcupine Mountains 3563
Straits 5187
Tahquamenon Falls 6929
Twin Lakes 536
Van Riper 4664
J. W. Wells 2412
Fayette: New record atten-

dance set this week. Parking lot expansion just completed to accommodate the increasing visitation, didn't, and cars were turned away.

Indian Lake: South Shore campground filling up by 10:30 a.m. and West Shore campground getting heavy use. Cohos are starting run in Thompson Creek and fishing pressure is heavy. The assistant park supervisor is starting to babble, and it is hoped he will soon land one of those 6 to 10 pound salmon.

Straits: An ideal camping week with sites generally being filled by 5 p.m. Two slide talks presented by Park Ranger Barrett attracted 350 campers and produced gratifying comments.

Tahquamenon Falls: Park activity at a peak with heavy day use and full campgrounds. A park naturalist with laryngitis is a questionable piece of merchandise, but a couple thousand people were able to enjoy the evening programs, thanks to assistance from park rangers.

J. W. Wells: The Menominee-Delta County Historical Society held a meeting and picnic in park Aug. 3 complete with exhibits, German band, and Indian dances.

SECOND LT. Michael D. Bricco, son of Mr. and Mrs. Mark S. Bricco, 1506 Minneapolis Ave., Gladstone, has entered U. S. Air Force pilot training at Laredo AFB, Tex. Bricco will fly the newest Air Force jet trainers and receive special academic and military training during the year-long course. A graduate of Gladstone High School, Bricco received his B. S. degree in art in 1967 from Western Michigan University. He was commissioned in 1968 upon completion of Officer Training School at Lackland AFB, Tex.

Rules For Coho Fishing Posted

Both Bays Good For Bass, And Northern Pike Fishing

Effective immediately the regulations governing the taking and possession of coho and chinook salmon are reported by the Conservation Department to be as follows:

The daily creel limit for coho and chinook either singly or in combination shall be three fish. A possession limit of six salmon singly or combined will be allowed provided that no person shall have in possession more than the daily catch limit while fishing or while aboard any vessel.

The size limit for coho and chinook in all waters shall be 12 inches.

Great Lakes open season—April 6 through Nov. 30, 1968.

From April 6 through April 26, 1968 in inland waters designated by the director of conservation as open to rainbow and brown fishing; from April 27 through Sept. 7, 1968 in all inland waters not otherwise closed to fishing; and from Sept. 8 through Nov. 30, 1968 in those waters designated open for rainbow and brown trout fishing.

In Delta County the Sturgeon River continues good for rainbow and brown trout as do 18-Mile Creek, the Haymeadow and Whitefish for brooks. Both Bays de Noc are good for northern and bass. Round Lake and 18-Mile Lake are producing some northern.

In adjoining Schoolcraft County, coho continue to be taken with varying degrees of success off Thompson Creek near Manistique.

In Alger County northern appear to be the best prospect with Au Train Basin, Au Train Lake, 16-Mile and Deer lakes recommended. Au Train Basin and Au Train Lake also are good for panfish. Trout fishing continues fair on all streams, Au Train Basin and Ackerman Lake.

In Marquette County the Escanaba River in the Gwinn area and Michigan Creek in the Republic area are fair for trout. Walleye enthusiasts may

do well to visit Lake Michigamme where it and the river of the same name are producing fair fishing for this specie by trolling with lures or night crawlers.

Church Events

The Ladies Aid of St. Paul's Lutheran Church will meet at Pioneer Trail Park, weather permitting, at noon Thursday. In event of inclement weather, the program will be held at the church.

Briefly Told

State Police issued traffic summonses Tuesday to Andrew Charles, Rte. 1, Cornell, driving left of center, and Norman Wright, Muskegon, speeding.

Lewis of Gladstone

fashion is our specialty

Charge Man In Inkster Melee

INKSTER (AP) — The Wayne County Prosecutor's Office Tuesday charged an Inkster man with assault with intent to murder.

The warrant against 24-year-old Turhan Lewis stemmed from a series of incidents in Inkster last week in which a white State Police detective and a 14-year-old Negro youth died. Lewis was arraigned in Inkster Municipal Court after being arrested the night of Aug. 7. He was charged then with carrying concealed weapons after police found two rifles and a pistol in his car. Lewis stood mute and was released on \$5,000 bond.

Regarding the second charge filed Tuesday, James Brickley, chief assistant prosecutor, said ballistics tests showed one of the guns found in Lewis's car had been used to shoot at the officers.

Brickley declined to say whether Lewis alone was involved in the death of State Police Detective Robert Gonser, shot and killed while investigating earlier shooting at policemen.

Lewis was arrested by Inkster police after an incident in which two policemen suffered minor wounds in a shooting episode. Lewis was in custody when State Police Detective Robert Gonser was shot and killed a few hours later in a still unsolved crime.

Wards Signs For On-Job Training

LANSING (AP) — The U. S. Labor Department reports that Montgomery Ward & Co. of Detroit will provide one-year on-the-job training programs for eight persons under its job opportunities program. The average cost to the government per trainee will be \$2,446 and the average wage for the workers on completion of their training will be \$2.16 an hour.

Gas Drifts Over Green Bay Area

GREEN BAY Wis.—An eight inch natural gas pipeline in front of Lambeau field was ruptured Tuesday by construction machinery. No injuries from the escaping gas were reported.

By 6:30 p.m. the residents which had evacuated their homes at the urgency of the

Green Bay police had returned to them.

Workmen for the Green Bay division of the Wisconsin Public Service Corp. put down a line along side of the break to bypass the rupture.

A spokesman for the gas company said there were state and county construction projects in the area, but it was not immediately determined which had caused the damage.

The spokesman said the gas was not turned off because this would have interrupted service to the entire west side of the city and parts of Brown county.

Thousand of pounds of gas escaped and were carried into the nearby residential areas by a brisk east wind.

Traffic also was rerouted from the area by Green Bay and Brown county authorities. The break occurred, according to police, at the intersection of the newly named Lombardi Ave. and Ridge Rd. The road in front of the stadium is being widened to eliminate a traffic bottleneck.

Derailed Train Scatters Town

URBANA, Ohio (AP) — The entire downtown section of this central Ohio city of about 11,000 was closed down today as authorities took precautions against high explosives in derailed freight cars.

Approximately 5,000 persons were evacuated from a half-mile area in all directions from the scene of the Penn Central freight derailment just three blocks from the downtown district.

Army ordinance crews and several hundred National Guardsmen were on the scene sealing off the area.

The derailed cars carried x05MM shells and highly explosive detonators. However, one official on the scene told local newsmen that he believed there was only "one chance in a million" of any explosion.

The precautions were ordered by the Pentagon, local officials said, after officials there were informed of the derailment. A Defense Department explosive expert is expected on the scene later in the day to make a decision about handling the derailed cars.

Two State Men Die In Vietnam

WASHINGTON (AP) — Two Michigan servicemen were listed Tuesday by the Defense Department as among recent fatalities in Vietnam.

Army Spec. 4 Melvin L. McArthur, son of Mr. and Mrs. Lloyd S. McArthur of Waterford, was listed as killed in action.

The death of Army Capt. Gary L. Higbee, son of Mr. and Mrs. Elson H. Higbee of rural Coldwater, was not attributed to hostile action.

Briefly Told

The Escanaba Municipal Band will play concerts at 7 p.m. today and Thursday near the grandstand at the U.P. State Fair. The band also will participate in ground breaking ceremonies for Bay de Noc Community College's new campus at 3 p.m. Friday.

Escanaba police issued traffic summonses Tuesday to Lota V. Grove, Milwaukee, failure to yield right of way; Deborah J. Allen, 1513 11th Ave., So., failure to stop for stop sign; and Charles J. Oslund, Rte. 1, Gladstone, failure to exercise due care and caution.

Joseph Strahan, 49, of 306 N. 12th St., was ordered to make restitution of \$35 and pay court costs of \$15 in Municipal Court Tuesday after he pleaded guilty to a bad check charge. He was arrested by Escanaba police on a warrant from Municipal Court.

Theft of \$40 to \$60 in nickels and dimes from a soap machine at Norge Village, 317 N. 23rd St., was reported to Escanaba police Tuesday. Mrs. Nancy Martin, manager, told officers the soap dispenser mistakenly had not been locked.

Nigeria Opens Push On Rebels

LAGOS, Nigeria (AP) — Two columns of Nigerian commandos were reported pushing north today toward the Biafran stronghold of Aba in what could be the start of an all-out offensive to crush the 13-month-old secession of eastern Nigeria's Ibo tribesmen.

Informed sources said at least two brigades of Nigeria's 3rd Marine Commando Division were advancing from the Port Harcourt sector toward Aba, the largest of the three towns still under secessionist control.

The military high command in Lagos refused to divulge details of the offensive, but a high ranking officer said troops commanded by Col. Benjamin Adekunle were reported trying to cross the Ino River, 15 miles south of Aba. Another column was believed pushing across the river at the Ino railway station, about 22 miles from Aba.

Landscaper Added To Forest Staff

A new landscape architect has joined the staff of the Hiawatha National Forest at the supervisor's office in Escanaba. Filling this position is John E. Smith, who comes from the Custer National Forest in Billings, Mont.

Smith served with the U.S. Air Force in 1952-1955, and in 1960 graduated from Michigan State University where he received a B. S. degree in landscape architecture.

He received permanent appointment with the U. S. Forest Service in October of 1960. He has since served on the Ottawa National Forest and the Custer National Forest. The Smiths, John and Joanne, and their children, Laurie and Scott, will make their home in the Escanaba area.

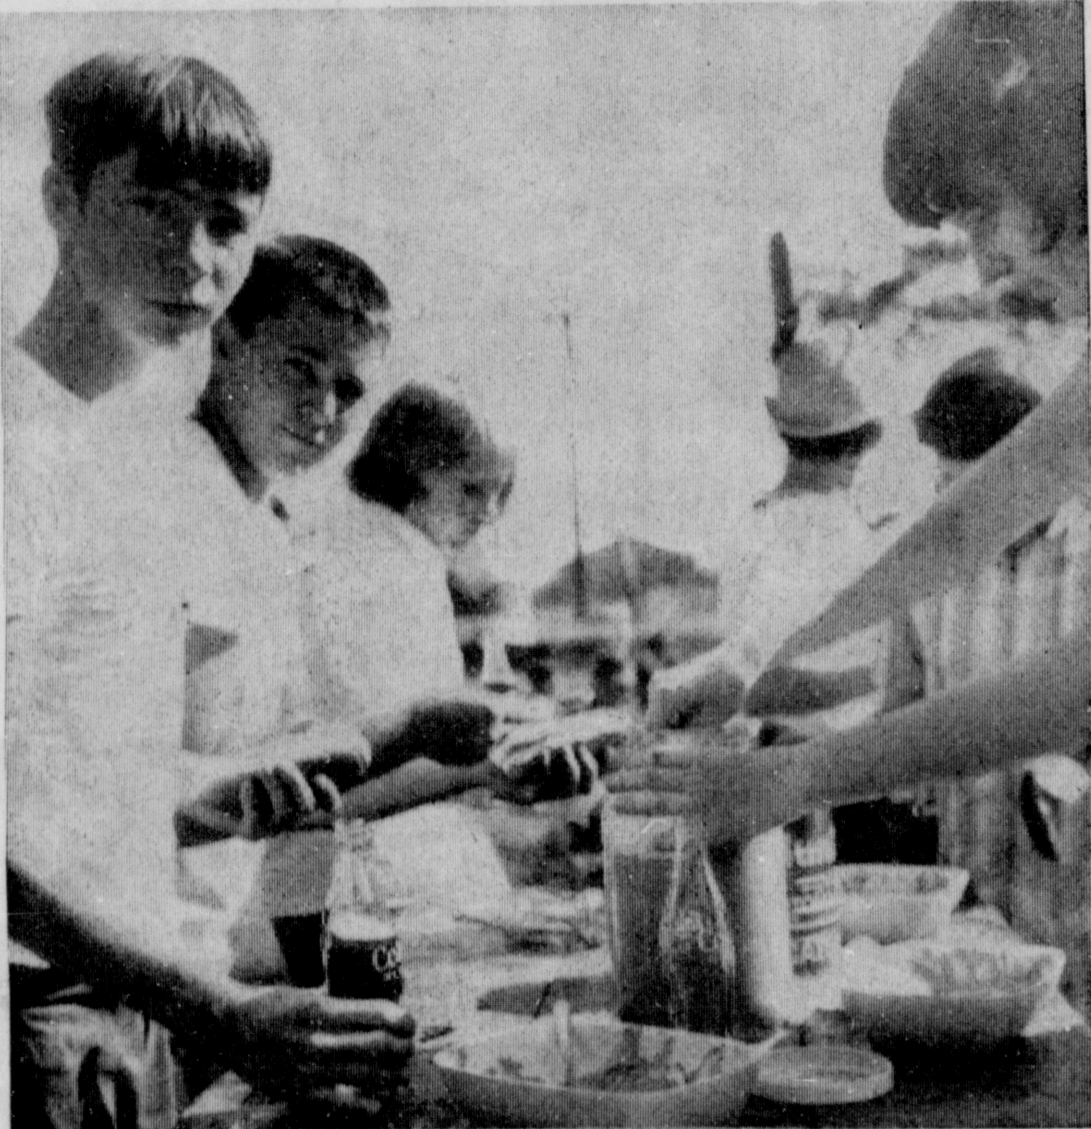

Obituary

CLARENCE LACASSE

Funeral services for Clarence LaCasse were held at 2 p.m. Tuesday at St. Paul's Lutheran Church, Hyde, with Rev. Philip Kueckhahn officiating. Burial was in Lakeview Cemetery. Honorary pallbearers were members of the church council. Active pallbearers were Ivan Carlson, Jerry Schleicher, Ralph McGeary, Harold Cook, David Wolfram and Jerry Campbell.

TWO LASSES FROM Kincheloe Air Force Base near Sault Ste. Marie were among the thousands of school safety patrol members who enjoyed the U. P. State Fair on its opening day Tuesday. From left, Karen Burgett and Kathy Hardin, both seventh graders at Rudyard School, wear the loot from a tour of the Midway. (Daily Press Photo)

THREE THOUSAND young members of school safety patrols from throughout the Upper Peninsula visited the U. P. State Fair Tuesday afternoon for its traditional hosting of their members. The youngsters saw the Barnes Rodeo and fair exhibits and midway and at 4 p.m. enjoyed a picnic meal. Here a group applies catsup and mustard to their hot dogs at the picnic. (Daily Press Photo)

China Releases British Envoy

HONG KONG (AP) — Britain's envoy to Peking for the past three years, Sir Donald Hopson, says his release from Red China is "a good sign for hope of improved relations" between China and Britain.

Sir Donald told a news conference that treatment of the British delegation in Peking had steadily—if slowly—improved since last August, when the British embassy was burned down in an attack by rampaging Red Guards.

The British charge d'affaires crossed the border from China into this British colony today after months of waiting for an exit visa.

"The approval of my visa... after considerable delay... is a good sign," said Sir Donald. He noted that there are still 13 members of his delegation—including women and children—who have been waiting more than three months for exit visas.

Bombings Plague Chicago Heights

By The Associated Press

Sporadic rock throwing and firebombing incidents plagued Chicago Heights, Ill., late Tuesday night and early today but elsewhere the nation's cities were generally reported calm.

In Chicago Heights, a suburb of 40,000 groups of Negro youths roamed streets and taunted police. Police arrested 13 after the youths began throwing rocks at officers inspecting for firebombs.

Fourteenth Street, the main artery through the Negro district, was closed for a mile to permit fire trucks to hook up their lines, if that necessity arose, according to police.

It was the fourth night of disturbances in the city with a Negro population of about 8,000. Local police were reinforced for patrol by sheriff's officers and state police.

In Kansas City police said eight firebombings took place between midnight and 4 a.m. today but there were no reported injuries and only one damage report, for \$200, had been received.

Little Rock, Ark., spent a trouble-free night and Gov. Winthrop Rockefeller said local authorities believed "we are rapidly returning to normal conditions" after four nights of racial disturbances that began Friday.

The governor lifted a county-wide curfew but teams of National Guardsmen and policemen continued to patrol the streets.

In Los Angeles, there was only an occasional firebomb report in Watts. Black militants prepared to take their case for fewer police patrols to a public hearing.

The only incident reported since early Tuesday was a gasoline bomb which landed harmlessly on the steps of a commercial building and was disarmed by an officer.

Sunday's violence in Watts left 3 Negroes dead, more than 40 persons injured and 23 buildings damaged by looting and firebombing.

10-Year-Old Boys Take Market Steer Honors

If the 1968 Junior Livestock show is any indication, the Upper Peninsula State Fair may be in for some excellent beef shows in the next several years.

A pair of 10-year-old boys walked off with top honors Tuesday in the Junior Steer Show and both will have the opportunity to compete until they are at least 17 years old.

Gary Mueller, son of Mr. and Mrs. Robert Mueller of Carney, won grand championship honors and Stanley Cousineau, son of Mr. and Mrs. Milton Cousineau of Harwood captured reserve champion honors with their animals.

Stanley's mother, the former Lorraine LaMarche, had a grand champion in 1953 and his father also showed steers, noted Grey Knaus, division superintendent.

Steers judged Tuesday will be auctioned at 8:30 p.m. today in the beef ring. Open class judging began this morning.

In the beef breeding division of the junior show, 12-year-old Ronald Atkins of Sault Ste. Marie won grand and senior champion honors for youngsters from ages 10 to 12, while Barbara Slye, Rte. 1, Ontonagon, took junior and reserve champion rosettes.

In the senior division, Dale Ray of Carney captured grand and senior champion honors and Debbie Branscheiber of Menominee won the junior and reserve champion ribbons.

Top showman in the Junior Steer show was Mark Veeder of Powers, followed by Tom

Porath, Rte. 1, Escanaba and Rose Rochetti, Norway.

In the junior livestock beef breeding showmanship competition, Ronald Atkins took top honors in the 10-to-12 year old division and Greg Veeder of Powers took top honors in the senior division.

Atkins was followed by Jane Chandler, Houghton, and Douglas Grosso, Norway, while runner-up to Veeder was Rose Rochetti followed by Mark Veeder.

"Overall, the quality of the market steers was much more even this year," said Knaus. "We've got a nice bunch of steers. There are no real heavy steers and no real light ones. On the average, the show is improved over last year."

The rate of gain trophy was won by Jean Johnson, Rte. 1, Escanaba. Her animal tested 2.40 pounds per day gain, Knaus said.

Other trophy awards in the junior show were:

Debbie Branscheiber, Menominee, best hereford junior female trophy awarded by Vince Peterson, Carney; Dale Ray, Carney, best hereford senior female trophy awarded by Edward LaMarche, Escanaba; Mark Veeder, Powers, steer showmanship trophy

awarded by Merlin Atkins, Sault Ste. Marie; Greg Veeder, Powers, senior showmanship awarded by Veeder's Tripe E Ranch, Powers; Ronald Atkins, junior showmanship trophy awarded by Branscheiber's, Menominee; Dale Ray, grand champion female trophy awarded by Production Credit Association, Escanaba; Patrick Benoit, Rte. 1, Escanaba, best hereford cow and calf awarded by Dalgord Hereford Farm, Fayette, and Gary Mueller, Carney, hereford steer trophy for best steer awarded by Ray Hereford Farms, Carney.

Menominee County won the county herd trophy, followed by Delta County and Marquette County.

A total of 31 market steers were exhibited, compared with 27 last year.

Auto Pioneer Sorensen Dies

BETHESDA, Md. (AP)—Charles E. Sorensen, an auto industry pioneer who also designed the factory that produced the B24 Liberator bombers of World War II, died Tuesday at his home after a long illness. He was 86.

Sorensen, who went to work for Henry Ford in 1905 as a pattern maker, produced the moving assembly line for the Ford Model T.

By the time Sorensen resigned in 1944, he had served as production chief, vice president and director.

Sorensen was credited with being Ford's No. 1 assistant in production of the first gasoline powered automobile within reach of the masses (the Model T).

He was a native of Copenhagen, Denmark but came to America with his parents when he was four years old. The son of a model-maker who worked in wood Sorensen was fascinated with casting iron and was once known as "Cast Iron Charlie."

Sorensen married Helen Mitchell of Detroit in 1904 and they had a son, Clifford, now deceased. He married Mrs. Thompson Montgomery of Washington in 1960. Survivors include two sisters in the Detroit area and two grandchildren.

Services will be held Thursday at the Community Church in Miami Beach, Fla., where Sorensen was a vestryman. Burial will be in Miami.

Fire

One forest fire was reported in the Upper Peninsula this past week that burned 0.2 acre in the Escanaba District.

Ford, Benson Have Top Cows

U. P. State Fair Dairy Division announced winners in two classes.

Judge Edward Wright of Saginaw awarded grand champion cow honors to Clayton Ford of Cornell in the Brown Swiss breed and to Gerald Benson of Carney in the Jersey breed.

Judging of Guernseys and Holsteins was underway today.

Mrs. O. M. Olsen, Menominee, Dies

Mrs. O. M. (Thea) Olsen, 88, of Menominee, died Tuesday at Menominee.

She was born in Norway and had resided in Menominee for the past 70 years. Her husband died in 1934.

Survivors include one daughter and four sons, including Harold T. Olsen of Escanaba, 12 grandchildren, 15 great grandchildren and two great, great grandchildren.

The body was taken to the Kell Funeral Home in Menominee where friends may call after 4 p.m. today. Funeral services will be in Menominee Thursday.

JOB OPPORTUNITIES FOR CITY OF ESCANABA

Boosters Ready Holy Name Athletic Field For Season

NIGHT FOOTBALL becomes a reality in Escanaba as Joe Bal, Fran Guay and Bud Hjort adjust the lights at the new Holy Name High School athletic field before the poles are put in the ground.

LIGHT POLES were put in the ground by this crane to prepare the new field for the dedication ceremonies scheduled Sunday at 7:30.

FINISHING TOUCHES to the lights and connecting the wires to the all underground wiring system are made by Joe Bal, Bud Hjort, Ike Corbett and Don Armstrong. (Lee's Studio Photos)

Detroit Deals Sweetan To Saints For Roberts

By The Associated Press

The New Orleans Saints are making every effort to come marching in to their second National Football League season as strong as possible at the quarterback position.

They obtained Karl Sweetan, the 25-year-old third-year quarterback from the Detroit Lions Tuesday in a trade for Walter "Flea" Roberts, a split end, plus an undisclosed draft choice.

"We are getting a young and experienced quarterback in Sweetan," said Vic Schwent, New Orleans' general manager. "Bill Kilmer still is our No. 1 quarterback, but Sweetan figures in our plans for the future here."

The Saints' future is bound to be brighter than their one-year past. They failed to make capital of their first chance in the NFL, finishing in last place in the Eastern Conference's Capital Division with a 3-11 record. They're in the Century Division this year, switching places with the New York Giants.

Sweetan, a 6-foot-1, 250-pounder, completed 74 of 177 aerials while alternating with Milt Plum at Detroit last year. His passes gained 901 yards and he hit for 10 touchdowns. Kilmer connected for six touchdowns by passing.

John Wooten, 31-year-old guard, and Jay Bachman, an offensive lineman, are also with new clubs.

Wooten, released by the Cleveland Browns of the NFL last month because of a racial controversy, signed with the Washington Redskins of the same circuit.

The Wooten-Cleveland controversy stemmed from a golf tournament at a private club to which teammate Ross Fichtner belonged. White Cleveland players, but no Negroes, were invited to the tournament. Wooten, a Negro, and Fichtner, who is white, were dropped by the Browns, according to owner Art Modell, to forestall racial disharmony. Fichtner since has

Country Club Sets Jr. Golf Tourney

Thursday, Aug. 15, will be the final day of golf lessons given by Jim Chrichton at the Escanaba Country Club. The Junior Golf Tournament will be held on Wednesday and Thursday of next week.

Children playing in the tournament are reminded to pay their \$1 entry fee to cover the cost of the tourney. A cookout is planned for the children playing at noon Thursday.

Chrichton will be assisted by Mrs. John Ryan, chairman of the Junior Golf Committee and her workers, Mrs. Richard Knoll, Mrs. James Mall, Mrs. Cliff Dawson, Mrs. Art Christiansen and Mrs. Elmer Bonifas.

Any mother wishing to help with the tournament should contact any of the above committee members. Any help would be appreciated.

Bowling Meeting

The Tuesday Early Bird Bowling League will have an organizational meeting at the Holiday Bowl on Tuesday, August 20, at 7:30 p.m. League bowlers and all new bowlers are urged to attend.

CLASSIFIED ADS COST LITTLE BUT DO A BIG JOB

FOB Detroit

By Jerry Green

DETROIT—We all have our moments of astute observation and in mine before the season I decided the Chicago White Sox was just the right team to win the pennant.

This conclusion was founded on some very simple logic. The White Sox had the finest starting pitching, the best managing and had improved their run-making and fielding. If they did so well with so little last year, I determined, they were a certainty with their improvements.

Three days later the White Sox were well on the way along their 10-game April losing streak.

Now that I can check the standings again each day in Detroit, I discover the team I really should have picked was the Tigers. I understand they have been frontrunners for some months now.

There is a multitude of reasons for this phenomenon, including my favored White Sox. The obvious main reason is the American League is terribly weak again this year. Include Baltimore, the other club with a chance. And the Tigers themselves are hardly an awesome club.

The league was weak last year, too, but the drama of the four-way race overwhelmed this widespread deficiency. Four very ordinary teams continued to neutralize one another until the schedule finally was expended and one happened to be ahead.

Compare this year's Tigers with the club they are destined to meet in the World Series, the Cardinals. The Cardinals are established at every position. Their batting order is not arranged by a drawing from a baseball cap. They have consistency and they dominate their league.

The Tigers, meanwhile, are a model of vacillation. They have worked six first basemen, four second basemen, four shortstops and three third basemen, five left fielders, two center fielders, two right fielders

and one scorecard printing plant. The ancient concept of regulars is obsolete at Tiger Stadium. So is the .300 hitter for the Tigers, but nobody has one of those old-style creatures in the whole league.

Mayo Smith has not been given the praise he deserves. Smith, I think, is the No. 1 reason the Tigers have been successful this year.

In my preseason judgment, I awarded the White Sox the pennant largely because of Eddie Stanky. I've erred before, but probably not as badly as Stanky. He's currently unemployed.

The Tigers are winning the pennant now because of Mayo Smith. He has taken the weakness of always changing lineups and made it, if not a strength, something workable. "We're more maneuverable this year," Smith says and that belongs in the Anthology of Classic Understatements.

Last year Smith was faulted for his handling of the bullpen. His method was to overuse on effective relief pitcher. Three arms were burned out in this manner. Smith knew this was a failing system, but what could he do? He never basked in the luxury of a deep bullpen. Thus the Tigers missed the pennant by one game.

Something different had to be done and Smith did it. His most critical decision this year was to chuck the deadwood in the bullpen. He replaced it with strong young arms. Powerful arms were more important to him than savvy, craftiness and major league experience. Smith retained rookies Daryl Patterson and Jon Warden and who'd ever heard of them before April? He entrusted Pat Dobson, John Hiller and Fred Lasher with vital duties. None had more than a few months of big league background.

Certainly it was a gamble, but it was something Smith had to do or face another season of trouble. It became more important when the starting pitching — Denny McLain exemplified—became a disaster spot.

The Tigers' pattern this year is to overcome deficits, win games in the last ticks. The reason behind such melodrama happens to be good relief pitching.

Indians Record Rare Victory Over Tigers

CLEVELAND (AP) — It was an unusual night for the Detroit Tigers in Cleveland Tuesday—the Indians beat the Tigers for the first time in six games and Denny McLain was seen in the bullpen.

McLain's appearance in the bullpen wasn't a scare tactic against the Indians who stopped the Tigers 1-0 on Sunny Siebert's three-hitter and Larry Brown's bases-loaded single in the second inning.

When the Indians scored their only run, McLain bolted from the Tiger dugout to the bullpen and some of the baseball writers began to wonder if the pressure of the pennant chase was getting to Manager Mayo Smith.

"Naw, it was nothing," said McLain. "I just wanted to tell Jon Warden something. I can't even lift my arm tonight."

The defeat ended Detroit's four-game winning streak and cut their American League lead to six games over Baltimore as the second-place Orioles got by Oakland 6-5.

Tonight's game will be the final meeting of the season between Cleveland and Detroit with Mickey Lolich pitching for the Tigers against ace Luis Tiant 18-7.

Pat Dobson 3-5 pitched the first seven innings for Detroit allowing only four hits, three of them coming in the second inning and he was tagged with the defeat.

Tony Horton opened the inning with an infield single and took third on a double by Duke Sims. One out later, Max Alvis drew an intentional walk to fill the bases before Brown punched his run-scoring single to center field.

"We pitched well . . . but it's not only how well you pitch but when," said McLain referring to the six runs the Tigers gave him the night before when he picked up his 24th victory of the season against three defeats.

Nelson To Win Highland Crown

There is only one thing certain in the Highland Golf Club Women's Tournament that will end today, and that is that the new club champion will be named Nelson. Defending champion Carolyn will face off with Elaine for the crown at 2 p.m. today.

In yesterday's action, Carolyn defeated Elaine Fairchild 3 and 2, while Elaine bested Carolyn Olson 5 and 4. In the consolation bracket of the championship flight, Vickie Beck will face Gladys Hansen.

In first flight action, Judy Ambeau defeated Marlene Smith 1 up, and will face Nancy Robinette who defeated Barbara Douglas 2 and 1. In consolation action, Mary Walton will face Bunny Moersch.

In the Second Flight, Lorraine Teal stopped Letah Cooper 5 and 4, and will face Blanche Christie who bested Pat Friets 8 and 7. In consolation action in the second flight, Betty Fassbender faces Carole Daniels.

In the 9-hole event, Mrs. DeLores Mason will face Phyllis Anderson for the championship. Mason dropped Gen Iverson 1 up, while Mrs. Anderson stopped Mary Niquette by the identical margin. In consolation action Dorothy Koth will face Marian Berry.

Don Buford, whose two-run

stop, and Horton grounded to

Alvis, who threw him out to

end the game.

Carew, Oliva Take Aim On AL Batting Crown

By The Associated Press

Rod Carew is winning his match race with Elmer Flick . . . and Tony Oliva aims to make it a Twin Double.

Carew, the American League's leading hitter, cracked a double and two singles, raising his average five points to .309, as Minnesota clubbed Washington 8-4 Tuesday night.

Oliva, the Twins' two-time batting champion, also drilled three hits to hold the No. 2 spot behind Carew and climb within two points of the elusive .300 mark.

Flick, an old-time Cleveland outfielder, won the 1965 batting title with a .306 mark . . . the lowest ever for a league leader. A month ago, it appeared the 1968 AL king would have the dubious distinction of lowering Flick's standard.

But Carew has launched a torrid August spree and Oliva, back in the lineup after recovering from a leg injury, is starting to match his teammate stride for stride.

In other American League games, Cleveland nipped first place Detroit 1-0 on Sonny Siebert's three-hitter; second place Baltimore shaded Oakland 6-5; Boston nudged Chicago 4-3 and New York trimmed California 3-2.

Oliva's three singles, good for three RBI, helped the Twins stake rookie Tom Hall to an 8-2 early lead and the 20-year-old left-hander posted his first major league victory with late relief help from Al Worthington.

Carew extended his hitting streak to 12 games with a pair of scratch singles and a two-run double. The Twins' second baseman has been swinging at a .442 clip, with 23-for-52, since taking off on July 31. The streak has boosted his average 26 points from .283.

Oliva, sidelined for 10 games with a pulled hamstring in his left leg, got back in the lineup on Aug. 4 and has gone 12-for-32 since then for a nine-point pickup.

Don Buford, whose two-run

single in the fourth broke a 3-2

tie, accounted for the Orioles'

winning marker with a ninth in-

ning homer before relievers

John Morris and Eddie Watt

checked a last-ditch Oakland

comeback at one run.

Baltimore's Dave McNally,

bidding for his eighth straight

victory, was knocked out in the

fourth but Pete Richert hurled 3

1-3 innings of scoreless relief for

his second victory in two nights.

Rico Petrocelli knocked in two

early runs with a double and his

12th homer, then stroked a tie-

breaking sacrifice fly after Ken

Harrison's eighth inning triple

to send the Red Sox past Chicago.

California's Sammy Ellis

walked five batters in the first

inning, helping the Yankees

grab a 3-0 lead, and they held

off the Angels behind southpaw

Steve Barber and reliever Lindy

McDaniel. Andy Kosco drove in

New York's first two runs with

a bases-loaded single and Ellis

forced across the deciding tally

with a bases-loaded walk to

Horace Clarke.

Eagles Continue To Lick Wounds

READING Pa. (AP) — The Philadelphia Eagles continued to lick their wounds Tuesday from Sunday's exhibition loss to the Detroit Lions.

Middle linebacker Ike Kelly was sent to Philadelphia for X-rays of an injured knee. Jim Skaggs will be out for six to eight weeks and Norm Snead, starting quarterback, is at home in Yorktown, Va., with a broken left leg.

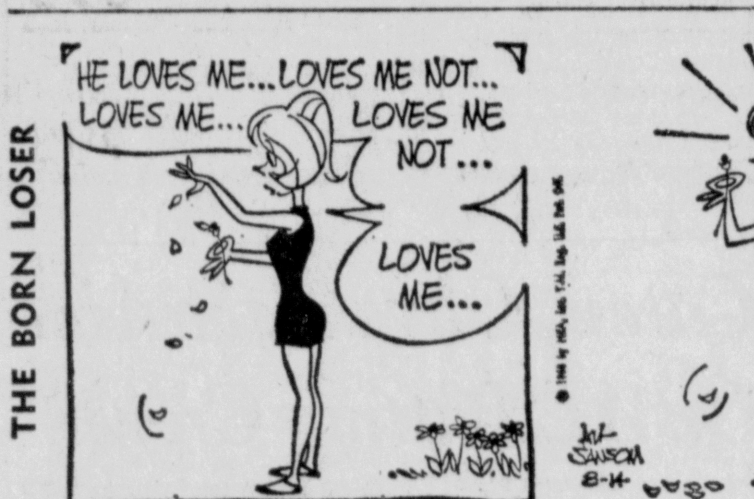

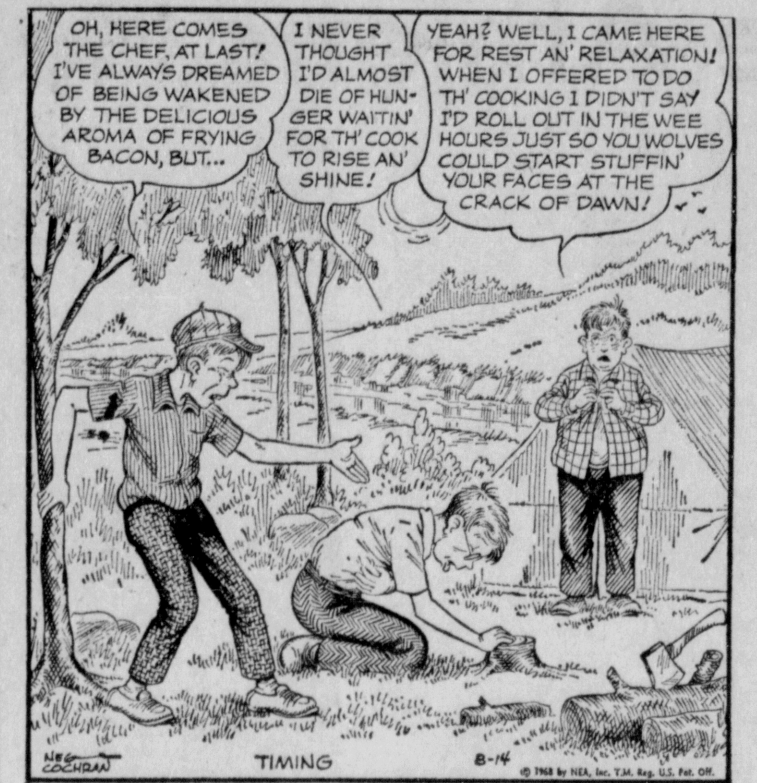

The Eagles recalled Benji Dial to battle. King Hill and John Huarte for the Snead's quarterback job. Dial was placed on waivers last week.

The rest of the team went through one of the lightest workouts Tuesday since camp started four weeks ago.

Card of Thanks

Hartwig

We wish to thank our friends, neighbors and relatives for their kindness and sympathy in our bereavement, the death of our dear husband and father, August P. Hartwig. We are grateful to Rev. John J. Wendland for his comforting words, the Sisters and Nurses at St. Francis Hospital, the Anderson Funeral Home, those who sent flowers, spiritual bouquets, the donation of food, to the pallbearers and those who offered the use of their cars and to everyone who helped in any way. Your kind acts will always be remembered.

Mrs. Josephine Hartwig and Family

In Memoriam

Bloomquist

In loving memory of Oscar Bloomquist, who passed away August 14, 1968. Five years ago he passed away. Into His Master's keeping. Who gave us these consoling words, Not dead but only sleeping. He heard the voice we could not hear. Which said he must not stay. He saw a hand we could not see. Which beckoned him away. No one knows the silent heartaches. Only those who have lost can tell. Of the grief that is borne in silence. For our father and brother we loved so well. More and more each day we miss Friends who helped him wound is healed. But they little know the sorrow That lies within our hearts concealed.

Son and Family

LEGAL NOTICES

COTTONTAIL RABBITS & SNOWSHOE HARES

The Conservation Commission at its meeting on July 12, 1968 under authority of Act 17, P. A. 1921, as amended, hereby rescinds the July 8, 1966, order closing Baraga, Dickinson, Gogebic, Houghton, Iron, Keweenaw, Menominee, Ontonagon counties, and on Drummond, Neebish, and Sugar Islands, Chippewa County, and establishes the following regulations for the hunting of cottontail rabbits and snowshoe hares under regulations as follows:

ZONE 1: October 1 to March 31, inclusive.

ZONE 2: October 1 to March 1, inclusive.

ZONE 3: except all state-owned land lying within the area bounded by Buchanan Road on the north, East County Line Road on the east, Grant Road on the south, and Ransom Road on the west in Hamilton Township, Gratiot County shall be closed.

BAG LIMIT: Combined 5 a day, 10 in possession, 30 a season.

Violation of the foregoing regulation shall be punishable by a fine of not more than \$100 and costs of prosecution, or by imprisonment in the county jail for not more than ninety days, or by both fine and imprisonment in the discretion of the court.

A-17879—Aug. 7-14-21-68

SHARPTAILS AND PRAIRIE CHICKENS

The Conservation Commission at its meeting on July 12, 1968, under authority of Act 230, P. A. 1923, as amended, hereby rescinds the July 8, 1966, order closing Baraga, Dickinson, Gogebic, Houghton, Iron, Keweenaw, Menominee, Ontonagon counties, and on Drummond, Neebish, and Sugar Islands, Chippewa County, and establishes the following regulations for the hunting of prairie chickens and sharp-tailed grouse:

Zone 1: except that there shall be no open season in Baraga, Gogebic, Houghton, Keweenaw, Menominee counties; and on Drummond, Neebish, and Sugar Islands in Chippewa County, October 1 to November 10, inclusive.

Ontonagon County: October 1 to October 14, inclusive.

Zones 2 and 3: No open season.

Bag Limits: 2 a day, 4 in possession, 8 a season.

A-17880—Aug. 7-14-21-68

31. Help Wanted, Male
MANAGER
TO THE MAN WHO WANTS TO BE NO. 1
Today when small businesses are getting larger and bigger, the opportunity for a person to become GENERAL MANAGER in less than one year sounds almost too good to be true.
Midland's proven program places a man as General Manager of an independent retail cooperative business after an on-the-job training period of about 10 months.
If you are mature, intelligent, married and want a chance to show your ability as a GENERAL MANAGER, a postcard or phone call will get you an application or information.
Attention: ELLEN PERRY (612) 331-6030
MIDLAND COOPERATIVES INCORPORATED
739 Johnson Street N. E.
Minneapolis, Minnesota 55413
